Thank you God for guiding me and giving me the strength to surge forward with sincerity and honesty.

First and foremost I wish to express my heartfelt gratitude to my supervisor Prof. Aparna Dixit for inspiring me and initiating me into the art of scientific experimentations. I take this opportunity to thank her for her caring attitude, constant support and encouragement. She has been a guide to me throughout my stay in the lab and has helped me overcome the enigma and problems faced by me during the tenure of my research. Her pleasing personality and positive attitude made working under her supervision a wonderful experience.

My sincere thanks to Prof. Uttam Pati, Chairperson of the Centre for Biotechnology. I am thankful to Prof. Rakesh Bhatnagar for his encouragement and support. My special thanks to Prof. Santosh Kar for his practical suggestions when I had any difficulties in my experiments. I am thankful to Prof. Rajeev Bhat, Dr K. J. Mukherjee, Mr. Mitra and Dr. Devapriya Chaudhary for their suggestions and helpful advice.

I wish to express my special thanks to Dr. Lalit Garg for his valuable advice and constant support, which has helped me immensely during my research work.

Friends are the special people whom we take in our hearts wherever we go in life, the saying being true for Aruna and Sujata, who being so far away were always by my side with their constant support and encouragement. The time spent with Ramani would always be cherished by me. I will always remember the funfilled times spent with Alli-da. Our magical combination in the art world knew no limits. My special thanks to Rajkumar, the “jack of all trades” for his unconditional help and support, even at odd times. I am thankful to Gautam, Prabha, Shivani, Anshu, Keshav, Nora and Rajrshi for helping me. This thesis would not have been possible without the help of Tejram, Preeti, Punit and Amit who were by my side at times when I needed them the most. A special mention for Vibhuti, without whom, my thesis would not have been in this final shape.

I can never forget the friendly atmosphere, valuable help and suggestions provided by Subhash, Suman, Puneet, Sarita, Niraj, Megha, and Sheeba. I am thankful to Amardeep, Yogi, Sanjay, Meenakshi, Shuchi, Manpreet, Jyotsna, Shivangi, Dhiraj, Hussain, Veenu, Amjad, Ajhar, Trinath, Anuj, and Anoop for being there to help at odd hours.

I am highly thankful to Deepika for the timely help she provided to me when I needed it the most.
My sincere thanks to Amreshji, Umeshji, Pandeyji and Samreshji for their excellent technical assistance. I am also thankful to Naipalji, Sindhu madam and Yadavji for their timely help. The help rendered by Tyagiji, Aiyerji, Tiwari, Sajjanji, Dilbagji and Vedpalji is duly acknowledge.

I could not have accomplished this task without the unflinching support of my mother in law and father in law, who were a constant source of inspiration during my study. My heartfelt thanks to Smriti, my sister in law for her help and moral support through the moments of crisis. My thanks to Anshumanji, Sony bhaiya and Deepali for their support and encouragement.

It would be like a drop in the ocean, as words are not enough for my parents who have given me immense love, untiring support, and encouragement throughout my study. My treasured feelings to my Tauji, who was always their by my side in the times of need. My brothers Sharad and Ram, and Bhabhis, Sharmila and Jyoti, were always there with their unconditional love and support.

I have been very lucky to have the companionship of my husband, Divyakant. There are no words to express all that he has done for me. Without his patience and positive attitude I would not have been able to achieve this goal. Thank you my dear. At last but not the least I would like to shower my love to my baby 'Jadoo', who has given a completely new meaning to my life. His bright eyes and naughty smile would lit my spirits up, filling me with new energy and zeal.

I would like to thank Kuldeepji, for helping me with the formatting of a part of this thesis.

Lastly I would like to acknowledge all those, who have helped me in one or the other way during my research tenure.

Financial assistance form DBT in the from of IRF and SRF is duly acknowledgement.
