ACKNOWLEDGMENTS

I am deeply indebted to Dr. (Prof.) Patit Paban Kundu, for being an outstanding advisor and excellent teacher. His constant encouragement, support, invaluable suggestions and useful criticism made this work successful. His moral support and co-operation during the most difficult times gave me confidence and strength in completing this work. He has been everything that one could want in a supervisor.

I am grateful to Dr. D. P. Singh, Dr. K. D. Singh and Dr. Shweta Soam for giving their useful advice, valuable suggestion and timely help to carry out my work.

My thanks to Mr. Sujay Das, Mr. Samrat Kundu and other technical and non-technical staff for their constant help and support in finishing my Ph.D. research work.

I am indebted to the Department of Science and Technology (DST), India, for awarding me as “INSPIRE-FELLOW” along with their cordial providence and accompaniment for the financial assistance, which made it possible to carry out the present investigation.

I thoroughly appreciate the co-operation and warmth that I received from my lab mates, Mrs. Piyasi Mukhopadhyay, Mr. Rakesh Das, Mr. Vikash Kumar, Mr. Kingshuk Dutta, Ms. Suparna Das, Mr. Nilkamal Pramanik, Mrs. Arpita Nandy, Mrs. Aditi Bhattacharya, Ms. Shritama Mukherjee, Mr. Sudipta Mondal, Dr. Tapas Mitra, Mrs. Piyali Jana, Mr. Prasanta Pattanayak and Mr. Amandeep Singh, during the course of my study. Their company made my stay in this laboratory an enriching experience.

I am deeply and forever indebted to my parents and all my family members for their love, good wishes, encouragement, and support throughout my research work.

Finally, I thank to God for providing me strength and potential to carry out my research work.

Piyush Kumar
