Acknowledgement

I am quite sure that all my words in any way cannot fully express my emotions and gratitude to all those who have helped me in carrying out this study. But as a formally, I do make an attempt in this direction.

First and the foremost, I hereby express my deep sense of love and gratitude to my supervisor (Late) Dr. J. Srinivasan, Department of Economics, for his guidance, I owe to him a great deal for his immense trust on me, which really added to my confidence in research.

I am grateful to my supervisor Professor & Head P. Muthaiyan, Faculty, Department of Economics, for his profound help in the course of my research. In fact, after the demise of Dr. J. Srinivasan, I felt nowhere. He consoled and cared me; and not allows me to drop my motivation in research. With he constant encouragements, I was able to recover from the great shock and carry out my research successfully.

I take this opportunity to express my profound gratitude to Professor R. Prabhakara Raya, Dean, School of Management, for his constant academic support during my course work.

I take this opportunity to express my profound gratitude to Dr. M. Ramachandran, Department of Economics, who always encouraged me in all my academic endeavors.

I would like to thank Dr.Nirlma Dr. Amerash Samantharaya, Dr. Sankaran, Dr. Jerome Dr.Raja Sethudurai, Dr.Lusome, and Dr.Yasmine, who always encouraged me in my entire academic endeavor.

I take this opportunity to thank the members of my doctoral committee, Assistant Professor A.Sankaran, department of Economics and Associate Professor Danel Lazar, department of Commerce, for their constructive and very valuable comments.

I thank the authorities of the following libraries who permitted me to collect the data relevant to my study: Ananda Ranga Pillai Library, Pondicherry University.
My deep sense of appreciation to non-teaching staff Mr.Ramachandran, office Manager, Mr.Mathivanan, office Assistant, Department of Economics, for their timely assistance and support throughout my work.

I am grateful to Ms. Vaishnavi.K, Assistant Professor, Department of Mechanical engineering, Bargur College of engineering, whose critique on my dissertation was thought provoking. Even in her busy schedule, she responded to all my telephonic communication, and unlocked my research quest and quenched my thirst. She academic spirit, simplicity and deep sense of thinking has been flourishing and enriching my wisdom.

I am deeply indebted to my beloved Father R.Lakshmanan and mother L.Pattu whom I love the most in this world, for their care, affection and prayers for me. Whatever I say in words can never match the sacrifices they have made for me.

This endeavor would have also not been possible without the unconditional support I received from my family members. I express my heartfelt thanks to my wife Vaishnavi.K, and my Sister, L.Lakshmi and Brother in-laws N. Karthikeyan, Chandiraleka.K and N. Udhayakumar, Brother T. Dinakaran and T.Ganasoundari, Brothers L.Ramajayam and L.Karpagam and Uncle A.Natarajan, aunty N.Parvathi for their encouragement and financial support throughout.

I hereby owe a word of special thanks to all my friends, V.Sathiyaseelan, Ishfaq Ahmad Mandloo, M.shanmugam, K. Hanumanthu Naik, P.Muthumurugan, Balamurigan, M.Ramesh, Ravi Gupta, and Vishvanathan (SEED TRUST, NGO), for their help during my course work.

Above all I owe all my efforts and success to the God Almighty, the Super Power who I believe is always with me to guide and help me in taking the right decision at the right time and to proceed with confidence in my life.
