ACKNOWLEDGEMENTS

The present work has been carried out under the supervision of Dr. S. D. Patil, Reader and Head Department of Microbiology and Biotechnology, Shri Shivaji Science College, Amravati. I have immense pleasure in expressing my deepest sense of gratitude to my guide for his constant inspiration, insightful guidance, constructive criticism, suggestion and encouragement during the course of this investigation.

I am greatly indebted to University Grant Commission, Pune for award of Teacher Fellowship and Hon’ble Vice-Chancellor, Registrar and Director (BCUD), Sant Gadge Baba Amravati University, Amravati for recommending the same under F. I. P. Scheme.

My in-depth gratitude goes to Prof. V. G. Bhamburkar, Principal, Shri Shivaji Science College, Amravati for his encouragement, moral support and providing laboratory as well as library facilities.

I am deeply indebted to Shri S. P. Tankhiwale, Principal, Adarsha Science, J. B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon Rly for his time-to-time inspiration, guidance and moral support.

With a great sense of gratitude, I express my sincere and heartful thanks to Hon’ble President, Hon’ble Secretary and all executive members of Dhamangaon Education Society, Dhamangaon Rly for giving me the opportunity to undertake the research work.

My heartily thanks are due to Shri A. R. Bopche, Superintendent, Adarsha Mahavidyalaya, Dhamangaon Rly and Shri B. N. Gadekar (Retd.) Adarsha Mahavidyalaya, Dhamangaon Rly for constant inspiration and executing the matter of Teacher Fellowship.

I am thankful to Dr. N. N. Vidhale and Dr. S. S. Deshmukh, Department of Microbiology, Shri Shivaji Science College, Amravati. I am gratified to Miss. Priya Loya, Miss. Shilpa Sarda and Shri, S.B. Shende Dept. of Biotechnology Shri Shivaji Science College, Amravati for their kind co-operation.

I am specially most obliged to all of my colleagues Prof. J. P. Taori, Prof. A. V. Bhagvat, Prof. A. Y. Kharabe, Dr. S. P. Kulkarni, Dr. A. W. Subhedar, Dr. V. M. Tripatttiwar, Prof. S. R. Kalantri, Prof. S. G. Onkar, Prof. S. A. Rodge, Prof. V. S. Thool, Prof G. N. Budhalani, Prof. S.V. Meshram, Prof. S.G.
Patil, Prof. S. D. Patil, Mrs. M. Kopulwar Adarsha Mahavidyalaya, Dhamangaon Rly.

I am especially grateful to my teacher fellow colleague Shri Y. B. Gandole for his time-to-time cooperation.

I wish to acknowledge the personal help during sample collection dedicated by Dr. Mrs. C. S. Ukesh, Dept. of Microbiology, Shri Shivaji Science College, Akola during the course of investigations.

My thanks are also due to Dr. C. B. Meshram, Dept. of Zoology, Shri A. B. Manwar, Dept. of Computer Science, Shri. T. B. Wankhede, Dept. of Botany Shri Shivaji Science College, and Amravati.

I am also grateful to the Librarian of National Medical Library, New Delhi, Indian Agriculture Research Institute, New Delhi, Sant Gadge Baba Amravati University, Amravati and Laxminarayan Institute of Technology, Nagpur.

I am greatly indebted to to Managing Director, Kancor Flavours and Extracts Ltd., Angamally; Managing Director, Sami Labs Ltd., Bangalore; Managing Director, Flavours & Essences (P) Ltd., Mysore; Managing Director, Synthite Industrial Chemicals Limited, Kolenchery and Managing Director, Rakesh products, Kanpur for providing me the samples of essential oils and powdered spices for present work.

I am also thankful to Curator, National Chemical Laboratory, Pune and Institute of Microbial Technology, Chandigarh for considering our request for microbial cultures.

My thanks are due to Prof. K. D. Pensionwar, Head, Dept. of Microbiology and Dr. A. M. Garode, Dept. of Microbiology, Shri Shivaji Science College, Chikhali Di. Buldhana for providing microbial cultures.

I must extend my thanks to Dr. Mrs. R. M. Shelgikar Medical Superintendent, District Women's Hospital, Amravati, Dr. Jayant Pawar Saikrupa Pathology Laboratory, Amravati, Shri. Kishor Makode, Pathologist, Dhamangaon Rly, for providing me clinical samples for experimental purpose.

I am also grateful to Shri. N. R. Borkar, Technician City Scan Division and Shri Dongare, technician at Pathology section General Hospital, Amravati for their Co-operation during sample collection. I am also thankful to Superintendent, Dist. T. B. Hospital, Amravati.
I am greatly indebted to the chief Executive, M/s Hi Media Laboratories Pvt. Ltd. Mumbai and for providing required bacteriological media and other necessary chemicals.

It is my duty to acknowledge Shri Mohod and Mrs. Anuradha Kadu and office staff of the Shri Shivaji Science College, Amravati.

I wish to thank Shri Anilrao Bansod, Moments Studio, Ravinagar Nagpur for scanning the photographs neatly and printing it. I am especially grateful to Shri Sunil Lende for photographing the plates.

I record my cordial thanks to Prof. S. B. Thakare, Warden, Boy’s Hostel Shri Shivaji Arts and Commerce College, Amravati for providing me hostel facility.

My in-depth gratitude goes to Mr Tushar Borkar Dept. of Biotechnology for computerizing the manuscript neatly.

Words fail to express the gratitude towards Mrs. Meena V. Kamble, my companion and my kids Miss Sayali, Miss Swati, and Mr. Nikhil and my brother Shri Subhash Kamble, who suffered a lot during my thesis work.

I wish to acknowledge my gratitude to my brothers Shri Arun Dable, Shri Ravi Dable, Shri Niwas Kamble, Shri Dinesh Kamble, Mr Anil Kamble, Shri Ayay Nakhale and Shri Purushottamrao Ambulkar.

I wish to acknowledge my gratitude to my father Shri Adhinathji Kamble, my unkle Shri Tribhuvannathji Kamble, Shri Rajendranathji Kamble and Shri Shrustinathji kamble and my mother Mrs. Shashikala A. Kamble

I also wish to acknowledge my in-depth gratitude to my sisters Dr. Shila Nakhale, Mrs. Prathibba Bansod and Mrs. Madhuri Dable.

I am thankful to my brother Dr. Vinod T. Kamble (SRTMU, Nanded) for his co-operation during my thesis work.

Lastly I am thankful to all those who directly or indirectly shared their co-operation for successful completion of the project work.

(Vilas A. Kamble)
