

C O N T E N T S

	Page No.
Introduction.	
Chapter - 1 Short range correlations : Perturbative approach.	1
Chapter - 2 Short range correlations : Variational approach.	82
Chapter - 3 Long range correlations and co-operativity ; Single particle Schrödinger fluid.	113
Chapter - 4 Long range correlations and co-operativity ; The Lipkin Model and Coherent States.	126
