

Acknowledgement

I would like to express my deep and sincere gratitude to my supervisor, Professor Indrani Bose, Chairperson, Department of Physics, Bose Institute. Her wide knowledge and her logical way of thinking have been of great value for me. Her encouragement, supervision and support from the preliminary to the concluding level enabled me to develop an understanding of the subject.

I would like to express my sincere gratitude to Professor Sibaji Raha, Director, Bose Institute, who gave me the opportunity to work in the Department of Physics.

I acknowledge the help and cooperation of my colleagues and the authorities of the Bose Institute.

I warmly thank Dr. Rajesh Karmakar and Dr. Bhaswar Ghosh for their valuable advice and friendly help. Their extensive discussions around my work and suggestions have been very helpful for this study.

My sincere thanks goes to Tamal, Ritam, Amit, Indrada, Shibajida , Sanjayda, Emily, Ujjwal and Sayantari for their encouragement towards my work.

I owe my loving thanks to my wife Sucheta and my son Hillol. Without their encouragement and understanding it would have been impossible for me to finish this work.

Subhasis Bandyopadhyay

Department of Physics

Bose Institute, Kolkata.
