Acknowledgement

First and foremost I wish to express my heartfelt gratitude to my supervisor Dr. Sanjit Dey, Associate Professor, Department of Physiology, University of Calcutta for his earnest support throughout the course of my research work.

I would also like to thank my department for providing me all the infrastructural and library facilities necessary for my work.

I want to extend my sincere gratitude to the Head of the Department, Department of Physiology, University of Calcutta and also to all the faculties and staffs of the department for their scientific co-operation, support and valuable advice to complete the entire work.

I am extremely thankful to Centre for Research in Nanoscience and Nanotechnology, University of Calcutta, Inter-University Accelerator Center, New Delhi, India and Department of Biotechnology, Government of West Bengal for their financial support.

I want to extend my sincere gratitude to Professor Maitreyee Nandi, Chemical Science Division, Saha Institute of Nuclear Physics for providing necessary radiation facility.

I am deeply indebted to Professor Sekhar Bhattacharjee, Department of Chemical Engineering, University of Calcutta, Dr. Anindita Chakraborty, Scientist-E, Radiation Biology, UGC-DAE consortium for scientific research, Kolkata for their guidance and providing laboratory facilities.

I also owe a debt of gratitude to Late Dr. Santinath Ghosh, Reader, Department of Chemical Technology, University of Calcutta, Professor Basab Choudhury, Department of Chemical Engineering, University of Calcutta for their valuable suggestions and helps at various stages of my work.

This episode of acknowledgement would not be completed without mentioning the names of my friends and labmates Mahuya Sinha, Kunal Sikder, Swaraj Bandhu Kesh, Krishnendu Manna, Debdutta Ganguli, Nilanjan Das, Amitava Khan, Ujjal Das, Sushobhan Biswas, Anirban Pradhan and Sanusree Sarkhel for their generous help, suggestions and great company. I also want to thank Anirban Chakraborty and Sayan Ghosh for their contribution and co-operation to complete the entire work.
I convey my sincere acknowledgement to my parents, sister, my better half, my daughter, my in-laws and all my friends for their earnest support during thick and thins throughout my research work.

Dipesh Kr. Das
