ACKNOWLEDGEMENT

It is my immense pleasure to express my deep sincere gratitude to Prof. Rakesh Bhatnagar for his affectionate guidance, constructive criticism and constant encouragement throughout the course of this study. His affable nature and never-say-die attitude has been largely responsible for the successful completion of this study.

I humbly acknowledge the constant help and valuable guidance rendered to me by Dr. Poonam Salotra on every occasion by all means. During the major portion of this work her suggestions and critical analysis were very crucial. The constant help and encouragement provided by her helped me to get through difficult moments. It is great pleasure to acknowledge the friendly help provided by students of CBT, Especially Vani, Jaikumar Ashutosh, Sarat, Shobita, Suchitra, Jagdish, Atul, Shams, Asha, Sangeeta, Sonia, Tapas, Partha and every body else.

The unhesitating help rendered by my labmates is beyond description. I Sincerely thank Deotosh, Smriti, Pankaj, Bani, Vibha, Aparna, Nidhi for providing help by all means.

I would like to thank our lab attendant Biswajeet for kindly bearing with me during the work. I would also like to acknowledge the help I received from Mr. Naipal Singh CCIF in-charge and other lab attendants in the centre facilities.

I would especially like to thank my husband, my mother-in-law, my sister-in-law, Mr. Ajay, Pravesh and Satyender for
typing this manuscripts and for providing helping hand in giving shape to this document. The presence of shrestha provided stimulus to complete this work.

The blessings and constant moral support of every family member during the course of this work greatly helped me to sustain difficult moments. I would like to thank them all for almost every thing that allowed me to complete my studies.
