LIST OF TABLES

Table 3.1  Shows the groups in the Time Period based on Trend Analysis
Table 3.2  Shows Data transformation rules using Binning Method
Table 3.3  Shows the Identified Outliers
Table 4.1  Shows the groups in the Time period based on Trend Analysis
Table 5.1  Confusion Matrix for a 2-class problem
Table 5.2  Shows Sample Data to Understand Support and Confidence
Table 5.3  Shows Test Data to predict using Naive Bayes Algorithm
Table 5.4  Shows predicted temperature using Naive Bayes Algorithm
