ACKNOWLEDGMENTS
ACKNOWLEDGEMENTS

It is with great pleasure that the writer expresses his deep sense of gratitude and indebtedness to Dr. (Mrs.) L.N. Nair, who has been a constant source of inspiration and encouragement. In spite of her multifarious research engagements she showed keen interest in my field and I shall ever remain grateful for her inspiring and instructive guidance, helpful discussions and valuable suggestions throughout the period of my work.

I am highly grateful to Prof. Dr. M.S. Balakrishnan, former Head of Botany Department, Dr. S.B. David, Professor and Head of Botany Department, University of Roona, Authorities of Roona District Education Association and Principal V.N. Jagtap for encouragement and research facilities.

It gives me a great pleasure to record my appreciation and sincere thanks to Prof. Dr. S.D. Patil for his valuable help, deep interest and constant encouragement. My sincere thanks are also due to Dr. K.M. Kulkarni for his valuable co-operation.

I am also thankful to Dr. B.P. Kapadnis, Prof. B.A. Chopade and Prof. R.L. Despurkar for their valuable help.
I am grateful to Dr. B.C. Sutton, Director, CMI, Kew, England; Dr. P.C. Ratwardhan and Dr. (Mrs.) Pande (M.A.C.S., Pune), Dr. P. Ramchar (Secunderabad) and Prof. Dr. S.T. Tilak (Aurangabad) for their valuable opinions and suggestions in identifying some difficult fungal taxa. My sincere thanks are due to Dr. B.G. Kulkarni (S.S.I., Pune) for identifying host plants.

I also extend my sincere thanks to fellow workers Mrs. Jyoti Kale, Mrs. Vaiju Nair, Mr. Borse, Mr. Ramesh, Mr. Rao, Mrs. Daisy, Miss Shaikh and Miss Mahajan for their unfailing help and co-operation.

My sincere thanks are due to Shri A.P. Wadgaonkar for photography and Shri J.J. Dange for the meticulous typing of this manuscript.

It is because of my father who nourished educational interest in me and my wife Sou. Praful must be credited for keeping everything in order on domestic front during the tenure of this project.
