ACKNOWLEDGEMENTS

I am at loss of words to demonstrate my deepest sense of indebtedness to my guide Dr. G. A. Thivakaran, Chief Principal Scientist, Gujarat Institute of Desert Ecology, Bhuj for his inspiring guidance, thoughtful comments, constructive criticism, parental care, keen interest and untiring and sustained help in all possible ways which has helped me remarkably to shape this work in a wholesome way. I would also like to thank him for lending me adequate freedom and flexibility, while working on this project. It is a pleasant privilege to work under such a resourceful and magnanimous guide, with great commitment and academic interest and I am grateful to him for letting me know the importance to communicate with people in different fields.

I would also like to thank Shri. Sudhir Mankad, Chairman, Mrs. Vijayalaxmi Sheth, Vice-Chairman, Shri. R. V. Asari (IFS., Retd), Director, Dr. V. Vijaykumar, Additional Director, Gujarat Institute of Desert Ecology, Bhuj for their valuable advices, suggestion, patience and moral support rendered throughout this research. I am extremely thankful to Dr. K. Karthikeyan, Scientist, Gujarat Institute of Desert Ecology, Bhuj for his fruitful criticisms and encouragement to carry out my thesis work successfully.

I place on record my sincere thanks to Dr. M. G. Thakkar, Associate Professor, Department of Earth and Environmental Science and Registrar In-Charge, K.S.K.V. Kachchh University, Bhuj, Kachchh. I would like to express my thanks to Director, National Institute of Oceanography, Dr. Syed Wajih Ahmad Naqvi for providing me to utilize library facilities and Mr. Periasamy, Project Assistant-1 and Dr. Sanith Sivadas, DST Women Scientist, NIO, Goa for helping me in statistical analysis for the study.

I would also like to thank Dr. H. S. Singh, Chief wildlife warden, Gujarat Forest Department, Gujarat and Dr. Pratik Mehta, Essar Power Limited, Jamnagar.

My sincere thanks are due to Dr. Sourav Kundu, Mrs. R. Leka Meera, Mr. G. Nandhagopal and Mr. Raushan Kumar Raman for their constant encouragement during the course of my experiments. I owe my deep seated gratitude and heart felt thanks to Mr. T. Dhananjayan and Mr. Nithul Lal K. P., Junior
Research Fellows, Department of Coastal and Marine Division, Gujarat Institute of Desert Ecology, Bhuj for helping me during my course of study.

I place my deep sense of honour and respect to my father Mr. K. Veluswamy, my mother Mrs. V. Palaniammal and my sisters, Mrs. M. Uma and Ms. V. Jayalakshmi and my brother, Mr. V. Ramkumar, my nephews Mr. M. Gowtham and Mr. M. Yogeshwaran for their forbearance, eternal support, love and encouragement. A non-payable debt to my loving family, their wish motivated me in striving for higher education; they prayed for me, shared the burdens and made sure that I sailed through smoothly.

I owe my sincere thanks to GOD ALMIGHTY for the life, strength and blessings He gave throughout the course of this project.

Devi Veluswamy
