ACKNOWLEDGMENT

I express my deep sense of gratitude to Prof. M.S. Soundara Rajan, Senior Scientist, Regional Agricultural Research Station, S.V. Agricultural College, Tirupati for having suggested the problem of study, for his unstinted support and guidance extend- ed from initiation of the Research Project through its completion. He has been a constant source of encouragement and drive through- out.

I am extremely grateful to Dr. M.V. Jagannadha Rao, Professor in Civil Engineering, S.V.University, College of Engineering, Tirupati for his help, guidance and valuable criticism throughout the study.

I owe a deep sense of gratitude to Prof. G.H. Sankara Reddi, former Principal and Associate Director, National Agricultural Research Project and University Head of the Department of Agronomy, S.V.Agricultural College, Tirupati for his encouragement and gui- dance in registering the Ph.D. programme.

My thanks are due to Dr. C. Sreeramulu, Associate Director, NARP, Tirupati for providing research facilities and encouragement during the course of this study.

My sincere thanks are due to Dr. S. Chandra Sekhara Reddy, Professor and Head, Department of Agronomy, S.V. Agricultural College, Tirupati for his help and encouragement during the course of the study.
My grateful thanks are due to my colleagues Dr. V. Shanumurthy, Dr. A.G. Reddy, Dr. T. Yellamanda Reddy, Dr. R. Sudhakara Rao, Dr. P. Maheswara Reddy, Sri N. Reddeppa Reddy, Smt. Usha Rani for their help, advice and encouragement at every stage in completing the thesis.

I am also grateful to Dr. Meenakshi Bai, Associate Professor and Head, Department of Statistics and Mathematics, S.V. Agriculture College, Tirupati for her advice and help in the use of mini computer for statistical analysis.

My thanks are due to the staff of College Farm and Scientists of Department of Agronomy, RARS, Tirupati for their help.

I am highly indebted to Bellum V.S. Reddy, Sorghum Breeder, ICRISAT, Hyderabad for his invaluable help in the analysis of linear programme.

I am highly grateful and indebted to my parents, brothers, sisters, uncle and aunti for their encouragement and help in completing the course.

I place on record my indebtedness to my wife Smt. Bharati and to my three children Sailaja, Padmaja, Sreenath who have extended them unstinted co-operation and encouragement inspite of being deprived of my attention towards them in the house. It is not otherwise possible to do research work in addition to regular official duties in teaching as Associate Professor.
I am grateful to the Andhra Pradesh Agricultural University and the Sri Venkateswara University authorities for having permitted me to register for Ph.D. programme as an external candidate in the S.V. University, Tirumati and for creating research facilities.

(K. Rama Kumar Reddy)
