I, am thankful to a number of persons for their profound support in helping me to complete this thesis.

First and foremost, I express my deep sense of gratitude to Dr. S.B. Kolte, my guide, guru and philosopher, Director General of I.M.S.C.D.R., Ahmednagar. My words fall short, to thank Dr. S.B. Kolte, who took out time to discuss the content of each chapter of this thesis and gave valuable suggestions and guidance inspite of his busy schedule of work. He was a constant source of encouragement and inspiration to me at every stage of this work. I have been benefited immensely from his vast and rich experience of teaching and research. It was indeed a pleasure for me to work under the guidance of such an amicable and approachable person as Dr. S.B. Kolte.

I am also indebted to Rev. Prof. Joseph Barnabas, Secretary, B.P.H.E. Society for his keen interest in me and my work which has been a source of inspiration to keep up the tempo of the work.

I most sincerely acknowledge the support and guidance given by Dr. V.S. Dikonda, Director I.M.S.C.D.R. Ahmednagar and Dr. V.D. Barve, Chief Coordinator, I.M.S.C.D.R. Ahmednagar, whose timely suggestions have helped me to mould the thesis in the right manner.

I am also thankful to Dr. R.J. Barnabas, Principal of Ahmednagar College for his continued moral support and encouragement.

I give my sincere thanks to Dr. M.B. Mehta and Dr. D.B. More, Department of Commerce for their active help, support and encouragement.

I am very much thankful to Dr. D.C. Talule, from Department of Economics, Ahmednagar College, for his valuable advice and guidance in economic analysis.

I am also greatly indebted to Mr. A.G. Karande, Chief Librarian of Mahatma Phule Krishi Vidyapeeth, Rahuri for availing me all library facilities.

Contd.
I give my sincere thanks to Prof. Madhukar Kasture for helping me in analysis, tabulation and various statistical tests on his computer.

I am also thankful to Mr. John Kharat, Branch Manager of A.D.C.C. Bank, Ahmednagar, who helped me in finding contact persons in collection of primary data.

I would also like to thank all State Government Officers, viz. District Statistical Officer, Ahmednagar, B.D.O. and Agriculture Extension Officer, Ahmednagar and all Village Talathis who actually took me to the door step of my informants (sample farmers) in all talukas of the district.

With sincere thanks the credit of accurate neat computer typing and fine tables construction on computer goes to Mr. A.A. Meher, Meher Xerox, Ahmednagar.

Last but not the least, my wife Mrs. Nirmala and daughter Neha deserve and need special thanks, for bearing with me for such a long span of time, that I have spent on this work, with great patience and understanding.

Without the support of my supporters and well wishers I would not have been able to complete this achievement. I once again thank you one and all.

NOVEMBER 2005
