ACKNOWLEDGEMENT

“At times our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame with us”

- Albert Schweitzer

“The LORD is my strength and my shield;
My heart trusts in Him and I am helped,
My heart leaps for joy
And I will give thanks to Him in song”

It’s with His blessings that I have embarked on this venture viz. striving for the doctorate.

I would like to express my profound indebtedness to Lord Almighty for giving me the strength and presence of mind to complete the work successfully and I humbly solicit Almighty’s blessings.

At the very outset I place on record my deep sense of gratitude to my Research Advisor Dr. W. RITHA, M.Sc., M.Phil., M.C.A., Ph.D., P.G. & Research Department of Mathematics, Holy Cross College (Autonomous), Tiruchirappalli, Tamilnadu for her relentless supervision and guidance. I also remember her with deep gratitude for her sincere cooperation and kind words throughout the course of my thesis work. The thesis would not have come in this form within the stipulated time without her able assistance and constant intervention. She has been a woman of source of inspiration
with unfathomable knowledge, talent and skills in the field of Fuzzy Mathematics. She is a woman of great attitude and a substance of genius. I am deeply indebted to her for her constant reading, inspiring guidance, scholarly assistance and encouragement given to me in the course of work and the valuable inspiration, constructive comments and suggestions has assisted me to complete the research work.

I owe my deepest gratitude to Dr. (Sr.) JEUSIN FRANCIS, Principal, Holy Cross College (Autonomous), Tiruchirappalli, Tamilnadu for her immense support for the suggestions and the facilities given to carry out the research work.

I place on record my deep gratitude to Ms. S. IMELDA SAMATHANAM EVANGELINE, Head, P.G. & Research Department of Mathematics, Holy Cross College (Autonomous), Tiruchirapalli, Tamilnadu and all the Staff members for their unstinted cooperation, motivation and immense support for the suggestions given to me in the course of the work.

I express my sincere thanks to Dr. G. P. C. NAYAR, Chairman, SCMS Group of Institutions, Kochi, Kerala who has enlightened me with his abundant knowledge and provided me with an ideal research environment.

I thank Dr. P. PRADEEP, THEVANNOOR, Vice Chairman, SCMS School of Engineering and Technology, Ankamaly, for his encouragement, motivation and moral support.
I would like to express my deep sense of gratitude to Prof. M. MADHAVAN, Director, SCMS School of Engineering and Technology, Ankamaly for his immense support and cooperation.

My heartfelt thanks to Mr. J. NATARAJ MOORTI and Mrs. N. BHUVANESWARI, RICHNETS PARK, Tiruchirappalli, Tamilnadu for their tireless work which has made my endeavor possible.

"Some people are so special that once they enter your life it become richer and fuller and more wonderful than you ever thought it could be"

I am very grateful too to my brother-in-law Mr. V. SREEKUMARA MENON, Managing Director, Chalukya Grace Tours Pvt Ltd., Thiruvananthapuram, Kerala who has always impressed me with his brilliant and thought-provoking comments. His valuable criticisms and unstinted support have enabled me to accomplish this task remarkably well.

I thank my husband, children and all other members of my family for their moral support and encouragement given to me from the very first outset for completion of my research work successfully.
