ACKNOWLEDGEMENT

It is my great privilege to express my deep sense of gratitude and profound thanks to my guide Dr. N. Nedunchezian, Associate Professor, Department of Automobile Engineering, IRTT, Erode, for his invaluable, thought provoking, extraordinary and patient guidance. He was a constant source of knowledge and inspiration during my work. I am forever indebted to him for his research guidance. His suggestions and encouragement especially during difficult times really boosted my confidence level.

I am very much thankful to my doctoral committee members Dr. S. Dhandapani, Principal Dr. NGP Institute of Technology, Coimbatore, and Dr. G. Devarajne, Professor, Department of Automobile Engineering, MIT Campus Anna university, Chennai, for their valuable suggestions during the course of my work. My sincere thanks to Dr. K. Myilsamy, Professor and Principal I/C and Dr. R. Subramaniam, Associate Professor and Head, Department of Automobile Engineering, IRTT, Erode, for their invaluable suggestions.

My sincere thanks to Principal and Management of Surya Engineering College for their help rendered to me. I thank all at IRTT, Erode, and Surya Engineering College, Erode without whose help this work would not have been completed.

I wish to express my appreciation to the love, patience and constant support of my wife Mrs. V. Latha and my daughter P. L. Sreenithe, who allowed me to be away from home for prolonged periods in order to complete this research work successfully.

PONNUSAMY P
