Acknowledgement

I express my deep gratitude to my respected supervisor Dr. Mridula Kanoria, Associate Professor, Department of Applied Mathematics, University of Calcutta for her active guidance, constant encouragement, immense help and support throughout the course of my research work.

I also express my special gratitude to my respected associate supervisor, Prof. (Retd.) Subhas Chandra Bose, Department of Applied Mathematics, University of Calcutta for his insightful suggestions, support and assistance during my research work.

I would like to thank the Heads of the Department of Applied Mathematics, University of Calcutta, over different periods, for providing me research facilities at the department. I am also immensely grateful to my respected teachers in the Department of Applied Mathematics, University of Calcutta.

My thanks are also due to the non-teaching staffs in the Department of Applied Mathematics, University of Calcutta, for their help and co-operation whenever necessary. I am also grateful to Dr. M.K. Ghosh, Department of Mathematics, Serampore College; Dr. S. H. Mallik, Assistant Professor, Department of Mathematics, Aliiah University; Dr. A. Kar, Research Officer, River Research Institute, Nadia, for their help and suggestions during the period of my research. I like to thank Mr. M. Islam, Assistant Professor, Department of Mathematics, St.Xaviers College, Kolkata, for the benefits of discussion that I have obtained from him during the course of my research works. I take this opportunity to thank my colleagues of Netaji Subhash Engineering College, Garia, for their constant encouragements and helpful cooperation in completing my thesis.

My parents always remain a great source of support and encouragement throughout my life and the last five years there has been no exception. I am grateful to my parents for their support and co-operation during the course of my research works. I am also grateful to my husband for the care and cooperation rendered by him in finishing this job.
