Acknowledgements

Words are inadequate to express my deep sense of gratitude to my research guide, Dr. P. V. Hunagund, Professor of Electronics, Department of Applied Electronics, Gulbarga University, Kalaburagi for his invaluable timely help, everlasting zeal, enlightened and a word of encouragement in precarious situation were of immense help and asset in bringing out my investigations of research in thesis form. The remarks and ingenious suggestions made by him throughout this research work were really interesting, exciting, stimulating, fruitful, pleasurable and memorable. I feel it wise and matter of pride to express my loyalty infused in me by him.

I feel duty bound, on this occasion to express my gratefulness to Prof. (Dr.). S. R. Niranjana, Vice-Chancellor, Prof. (Dr.) E. T. Puttaih, then Vice-Chancellor, Prof. (Dr.). S. L. Hiremath, Former Registrar and Prof. (Dr.) A. Dayanand, Registrar, Gulbarga University, Kalaburagi for providing me an opportunity to pursue my research studies in this university.

I am deeply indebted to Dr. Ravi B. Gaddagimath, Former University librarian, Gulbarga University, Kalaburagi for his enthusiastic support and impermeable confidence for pursuing higher studies.

I extend my sincere gratitude to Dr. R. M. Vani, Professor & Head, Department of University Science Instrumentation Centre (USIC), Gulbarga University, Kalaburagi for their valuable suggestions and support throughout my research work.
I am very much thankful to Prof. (Dr.) R. L. Raibagkar, Prof. (Dr.) S. N. Mulgi and Prof. (Dr.) P. M. Hadalgi, Gulbarga University, Kalaburagi for their valuable suggestions, encouragement and stout support throughout my research work.

I am deeply indebted to Late Sri. B. N. V. Subramanya, the founder, Jyothy Institute of Technology, Bengaluru, who in fact inspired me to pursue my doctoral studies.

I am also thankful to Dr. K. V. Mahendra, Principal and Mr. B.M. Chandrashekar, Head, Department of Electronics and Communication, Jyothy Institute of Technology, Bengaluru and my colleagues and friends who always inspired me and encouraged me throughout the completion of this thesis.

I owe special thanks to all my Ph.D. Colleagues, Mr. Rajendra R. Patil, Mr. Sharangouda N. Patil, Mr. Mahesh Partapure, Mr. Dinesh Ganure, Mr. Prashant R. T., Mr. B. Satyanarayana and Smt. Ashwini C. T. of Applied Electronics for their kind co-operation during my stay at university.

I missed my son Master Aarush and my nephew Master Shourya most of the time during research work; however, their love and affection inspired me to accelerate my research work for which I owe a lot to them.
My heartfelt thanks to my wife Dr. Roopa. P.Gaddagimath for her constant support and encouragement throughout my research work.

Last, but not the least, I am very much thankful to those who helped me directly or indirectly for entire period of my research work.

-H.B.M. Ajjaiah
