List of Publications:

A. International Publications:

7. “(Photo)electrochemical analysis of electrosynthesized nanofibrous cadmium indium selenide (CdIn$_2$Se$_4$) thin films”, Anuradha B. Bhalerao, B. G. Wagh, R. N. Bulakhe, C. D. Lokhande, Submitted for Solar Energy (I. F. 3.5)

B. Paper Presentation at International Conferences:

1. “Study on formation mechanism of electrodeposited nanomaterials and ZnS thin film”, Anuradha B. Bhalerao, C. D. Lokhande, B. G. Wagh,

C. National level paper presentations:

2. “Preparation and characterization of zinc selenide thin films by various modes of electrochemical deposition”, Anuradha B. Bhalerao, R. N.
