Acknowledgements

At the outset I would like to express my sincere gratitude to all the people who have rendered their heart whelming support in making this thesis a magnificent experience.

I am grateful to Professor P.G. Saptarshi, Professor, Professor Mrs Rajurkar, Head, Department of Environmental Science, University of Pune for providing laboratory and other allied facilities without which this work would not have been possible.

I am heartily thankful to my guide Dr R.J. Thengane, Ex-Professor, Department of Botany, University of Pune; Co-Guide Dr. V S Ghole, Ex - Head, Department of Environmental Science, University of Pune, whose encouragement, guidance and support from the initial to the final level enabled me to develop an understanding of the subject and helped me to plan and execute the work to its logical conclusion.

I would like to express my warm and sincere thanks to Dr S. G. Deshpande, Scientist, Entomology Department, NCL, Dr. A.G. Chandele, Head Entomology Dr. Dethe, Mahatma Phule Krishi Vidyapeeth, & Dr. R. H. Naik, Scientist, Department of NRM, NCL for offering their invaluable insights into planning and design of experiments.
I warmly thank Dr. Wani (MD, Pathology) for his valuable advice and friendly help rendered for the work on histopathology of mosquito larvae.

I would like to render my sincere thanks to Dr. Kishori Apte and Ms. Mandavi Garge for extending help in work related to toxicological aspects of the thesis.

My special thanks to Mr. Arun Kantode in helping me in work related to Allelopathy.

I am indebted to many of my colleagues who supported me in a number of ways. Especially I would like to thank my friends Dr. Kedar Deobhankar, Mr. Nitin Ghatpande & Mr. Deepak Phal for their constant encouragement, constructive criticism and untiring help during my difficult moments.

Special thanks go to, Dr. Rahul Marathe in valuable help in compilation and presentation of my work. Also I would like to thank Mr. Jadhav for rendering help in making of this work.

Last but not the least, I deeply acknowledge the support given to me by my husband Mr. Milind Vitonde, my kids Rucha & Nidhi, my sisters & family members, and relatives who inspired, encouraged and fully supported me during my trials and tribulations that came my way. Special thanks to my parents Dr. Sharad Kulkarni & Mrs. Anuradha Kulkarni who raised me with love of science and supported me in all my pursuits.

Finally, I thank the one above all of us, the omnipresent God, for answering my prayers for giving me the strength to plod on despite my constitution wanting to give up on certain desperate occasions.
