ACKNOWLEDGEMENT

It is a matter of great pleasure and privilege to record here and express my deep sense of gratitude and profound indebtedness to Dr. V.K. Sehegal, Reader, Department of Mathematics and Statistics, Bundelkhand University, Jhansi, for his valuable guidance sustained encouragement, inquisitive ideas and discussions throughout the course of study.

I am thankful to Dr. P.N. Srivastava, Head, Department of Mathematics and Statistics, Bundelkhand University, Jhansi for providing facilities for the study.

I express deep sense of gratitude and thanks to Dr. G.N. Lodhi, Principal, B.N.P.G. College, Rath, Hamirpur for his great Cooperation and encouragement to complete the study.

I wish to express my thanks to Dr. R.C. Sharma, Dr. Phool Singh, Prof. S. B. Singh, Prof. Halkey Prasad, Dr. S.P. Singh, Prof R.P. Agarwal, Dr. G.S. Babeley and Shri Sunder Lal, B.N.P.G. College, Rath for their encouragement and generous cooperations.

I am also obliged and thankful to Dr. S.S. Bhartiya, Head Deptt. of Agril. Economics for sharing his valuable time with me for fruitful discussions and positive criticism.

Deep thanks are also due to Dr. Kailash, Head, Deptt. of Physics, B.N.P.G. College, Rath, for his inspiration along with his splendid co-operation in drafting the manuscript.

I am also thankful to Dr. Amaresh Kumar Singh, I.G.F.R.I., Jhansi for his logistic help and cooperation during course of study.

I express my thanks to Dr. Rajesh Kumar, Scientist (Statistics), Indian Institute of Sugarcane Research, Lucknow for his encouragement and cooperation in the study on many occasions.
Thanks and obligations are also due to Prof.Prem Narain, Ex. Director, I.A.S.R.I., New Delhi, for inspiring me to work on the problem of incomplete frame stating that the study on incomplete frame is quite suitable and front line topic in sample survey.

I express my thanks to Dr. Padam Singh, ADG, ICMR, New Delhi, Professor A.K. Nigam, Secretary, Institute of applied Statistics and Development studies, Lucknow, Dr. A.K. Srivastava, Head and Principal Scientist, Division of Sample Survey Methodology and analysis of survey data, IASRI, New Delhi Prof. T. P. Tripathi, ISI, Calcutta for their sincere advices and encouragements on the study.

I am also thankful to Dr. Randhir Singh, Principal Scientist, Dr. Anil Rai and Dr. Rajendra Prasad, Scientist from IASRI, New Delhi for their encouragements.

I am also obliged to Dr. R.P. Singh, Principal Scientist, Division of Agril. Economics IARI, New Delhi for his inspirations.

I also express thank to Dr. Kishor Kumar Pundeer, Senior System Analyst, Central Water Commission, Govt. of India, New Delhi for his help in the study.

Thanks are also due to my friends and good wishers for their encouragements, directly or indirectly, in the study.

Last but not the least, I submit my devotion to the blessings of enlightened soul and saint Nam Nirupam Sai Data. Satguru Ashram, Koilaha, Maudaha, Hamirpur, which is beyond words to express.

I wish to acknowledge the association and help of Sri Siddharth Joshi and Sri Shiv Kumar Yadav Computer Centre, C.S.J.M.Univ., Kanpur for making the manuscript typed on the computer.

July, 1998

(Neelam Kumar Singh)
