CLINICAL PROFILE OF NAFLD PATIENTS AND ASSOCIATION OF NAFLD WITH METABOLIC SYNDROME

S. Satapathy: Initiated the NAFLD patient data base. Patient enrolment and follow up, 20% of the total patient evaluation and follow up

Pooja Sakhuja, V Malhotra, Deepak: Histopathological evaluation of biopsy specimens

Pankaj Tyagi, Manoj Kumar, BC Sharma: Helped in enrolling control subjects and some patients

Sanal MG: Continued patient enrolment: NAFLD patient data base: 80%, conception and design, acquisition of data, statistics, analysis and interpretation of data, writing manuscript

SK Sarin: Supervised and guided the above and managed the project; conception and design, acquisition of data, revision and editing of the manuscript

ADIPOKINE PROFILE IN PATIENTS WITH NONALCOHOLIC FATTY LIVER DISEASE AND CRYPTOGENIC CIRRHOSIS

Sanal MG: Conception and design, or acquisition of data, ELISA, statistics, analysis and interpretation of data, writing manuscript

SK Sarin: Supervised and guided the above and managed the project; diagnosis, design, acquisition of data, revision and editing of the manuscript

Pooja Sakhuja, V Malhotra, Deepak: Histopathological evaluation of biopsy specimens

Pankaj Tyagi, Manoj Kumar: Helped in enrolling Control subjects

Mohini Sharma, Neelam: Collection and storage of blood samples

ANALYSIS OF SINGLE NUCLEOTIDE POLYMORPHISM IN HUMAN ADIPONECTIN GENE

Ajay K Chaudhary: Contributed to NAFLD patient and control enrolment

Sanal MG: Conception and design, or acquisition of data, a part of patient and control enrolment, DNA extraction, most of the PCR amplification, acquisition of DNA sequence data, statistics, analysis and interpretation of data, writing manuscript

SK Sarin: Supervised and guided the above and managed the project; design, acquisition of data, revision and editing of the manuscript

Pooja Sakhuja, V Malhotra, Deepak: Histopathological evaluation of biopsy specimens

Abhishek Gupta: a part of DNA extraction, PCR amplification, DNA sequencing

Nidhi, Sukruti, Neha: DNA extraction

Pankaj Tyagi, Manoj Kumar, Ashish Kumar: Helped in enrolling Control subjects

Mohini Sharma, Neelam, Santosh: Collection and storage of blood samples
