Acknowledgment

I wish to express my deep gratitude to my teacher and guide Professor (Mrs.) Archana Sharma, Professor of Genetics, Centre of Advanced Study in Cell and Chromosome Research, Department of Botany, University of Calcutta for her constant help, encouragement and advice throughout the tenure of my work.

I also express my deep gratitude to Dr. (Mrs.) Geeta Talukder, Research Scientist, Vivekananda Institute of Medical Sciences, Calcutta, for her help and valuable suggestions.

I owe my gratitude to Professor Arun Kumar Sharma, INSA Golden Jubilee Professor, Centre of Advanced Study in Cell and Chromosome Research, Department of Botany, University of Calcutta for not only providing laboratory facilities but also helping and encouraging me whenever I needed.

Sincere gratitude is due to Professor (Miss) Sumitra Sen, Head, Department of Botany, University of Calcutta and all my teachers for extending all facilities needed during the period of this work.

I am also much obliged to Mr. Arup Das and to Mr. Tarun Rakshit for patience and help in precisely typing this manuscript.

Thanks are also due to Mr. Nishit Roy for his contribution in photography.

I am also greatly indebted to the Director, IICB, for permitting me to consult the library.

I am thankful to Professor K.P. Sengupta, Director, Calcutta Medical Centre and to Dr. D. Bhattacharya, Director, Bhoruka Research Centre for materials provided.

I am also grateful to Mr. R.K. Patra of the Department of Botany for his necessary assistance in maintaining the animal house.

I thank my seniors - Dr. (Miss) Arati Roychowdhury, Dr. (Mrs.) Madhusnata De, Dr. (Mrs.) Haimanti Dhir and Dr. (Miss) Kalpana Agarwal whose constant help and suggestions encouraged me in every step of my work.

I also acknowledge the assistance of my friends - Mr. Asis Kumar Ghosh, Mrs. Gargi Dey, Debisree Sarkar, Neelam Gurnani and all other members of the laboratory.
I offer my special gratitude to Miss Syamasri Palit, Miss Sujita Ghosh and Dr. (Miss) Tandra Das for their help and encouragement during the period of the study and the preparation of the manuscript.

In conclusion, I must thank my family members, specially my sister Miss Arundhati Ghosh for her constant help during the tenure of my research work. I also extend my thanks to my brothers - Mr. Arup Ghosh and Dr. Govinda Bhattacharya, sister-in-law Mrs. Swati Ghosh, and to Mr. Sajib Pal, without whom the preparation of this manuscript would not have been possible.

Dated,
The 1st of November, 1991.
