

ACKNOWLEDGEMENTS

I remain grateful to **Prof. (Dr.) K. Manimekalai**, Vice- Chancellor and **Dr. N. Kala**, Registrar i/c, Mother Teresa Women's University, Kodaikanal for permitting me to undergo this Ph.D. degree programme in full-time.

Words are inadequate to express my indebtedness and sense of gratitude to my part of the life designer and my supervisor **Dr. M. Umadevi**, Associate Professor and Head i/c, Department of Physics, Mother Teresa Women's University, Kodaikanal, for her fathomless patience, unfailing support, critical suggestions, constructive criticism, meticulous care and iron will nothing was ever a hurdle! Her guidance during the course of this work allowed me to grow as a good teacher and researcher. I thank once again my guide for teaching me various aspects of spectroscopy starting from basic onwards.

I will fail in my duty to if I don't recall the help given by **Prof. Dr. P. Vanelle**, **Dr. T. Terme** and **Dr. O. Khoumeri**, Department Laboratoire de Pharmaco-Chimie Radicalaire, Faculté de Pharmacie, Aix-Marseille University, France and **Prof. Dr. R. Erenler**, Department of Chemistry, University of Gaziosmanpasa, Turkey for genially providing dye samples for investigation.

I am pleased to acknowledge Prof. **Dr. D. Mangalaraj**, **Department of Nanoscience and Technology, Bharathiar University, Coimbatore** for his valuable advices and improvements suggested for paper work.

I owe my special thanks to **Dr. Vasant Sathe**, UGC-DAE Consortium for Scientific Research, University Campus, Khandwa Road, Indore, India and **Mr. S. Viswanathan**, Project Associate, IIT, Chennai for their timely help in characterization and paper work.

It is a great pleasure to express my sincere and heartfelt thanks to **Dr. L. C. Nehru**, Assistant Professor, Department of Bio Physics, Bharathidasan University, Trichy for their encouragement and valuable suggestions throughout this research.

I express my heartfelt thanks to **Dr. R. Parimala Devi**, **Mrs. Dr. K. Prabha**, Assistant Professors and **Mrs. T. Amutha**, Technical Assistant, Department of Physics, MTWU, Kodaikanal for their support and love throughout this work. I want to register my thanks to **Dr. S. Jose Kavitha**, Assistant Professor and

Mrs. J. Shanthini, Technical Assistant, Department of Chemistry, MTWU, Kodaikanal for their friendliness help in lab hours.

I extend my heartfelt thanks to **Dr. S. Sasi Florence**, Assistant Professor, Jazan University, Saudi Arabia. **Dr. A. Jegatha Christy**, Department of Physics, Jayaraj Annapakkiam Women,s college, Periyakulam and. I want to special thank **Dr. S.R. Kavitha**, **Mrs. D. Arockia Jency**, project Fellow (WOS-A) and **Ms. M. Sangari**, project fellow (DST-SERB), Department of Physics, Mother Teresa Women's University, Kodaikanal my wonderful friends they helped me a lot during the hard days of my research. I would like to take this opportunity to thank my colleagues **Mrs. P. Vijaya Rekha**, **Dr. M. R. Bindhu**, **Mrs. Gomathi** and **Mrs. A. Aarthi** for their oportune help during my project work.

It is indeed, an immense pleasure to express my deep sense of gratitude to **Mrs. Anju John**, Assistant Professor, English Department, Baselius College, Kerala, **Ms. V. Poornima Parvathi**, project fellow, UGC-DAE-CSR and **Ms. R. Bhaviya Raj**, Research Scholar, Department of Physics, MTWU, Kodaikanal for their language support and improvements suggested for this thesis work.

I am very grateful to **Mrs. T. N. Rekha**, PG & Research, Department of Physics, Lady Doak College, Madurai, India his valuable guidance in theory part which was essential for the fulfilment of this thesis work.

The meaning of my life and work is incomplete without paying my regards to my respected and lovable **parents** whose blessings and continuous encouragement have shown me the path to achieve my goal. I am incredibly lucky to have such parents who care about their children's education more than anything in their lives. My special thanks to my sisters **Ms. R. Priyanka** and **Ms. S. Saranya** and **Ms. M. Jenifa** for their emotional support and constant co-operation whenever I was away from them. I know that you all have made a lot of sacrifices to help me achieve my goals and I am looking forward to less frantic schedules and spending more time with you.

I am deeply grateful to my relative **Mr. C. Jaya Kumar**, **Mr. Ramasamy**, **Mrs. R. Chitra**, **Mr. S. Subramani**, and their family for their patience, moral support, encouragement and co-operation in my career.

Above all, I give all honor and glory to **God**. You, alone, have made this possible. Thank you for your grace and compassion and your guidance throughout my studies. You have shown me miracles beyond what I could have ever known and for that I am eternally grateful. This experience has been a battle but you have made the victory sweet for me!
