ACKNOWLEDGEMENT

First and foremost, praises and thanks to ‘Jogeshwer Mahadev’, the Almighty, for his showers of blessings not only during completion of my research work successfully but throughout my whole life.

I would like to express my special appreciation and thanks to my advisor Dr. R.K. Verma, you have been a tremendous mentor for me. I would like to thank you for encouraging my research and for allowing me to grow as a researcher. Your advice on both research as well as on my career have been priceless. In my opinion, you are the most wonderful person and your help and support will remain unforgettable. I would also like to thanks my Co-advisor Dr. J.C. Rana. You gave me opportunity to work under you, this meant a lot for me. Due to your continuous encouragement I was able to compile this thesis. You were not a academic advisor only but a person who was there to help me also in my personal life. Your dynamic temperament will always be a inspiration for me in my life. Besides my advisors, I would like to thank Dr. K.S. Kapoor, for his insightful suggestions and encouragement which help me to widen my research from various perspectives.

My sincere thanks to ‘The Director’ and all the scientists of HFRI-Shimla for their guidance and support. I would also like to thank all the research fellows and staff members of Ecology & Biodiversity Conservation Division of HFRI for their continuous support during my whole research period. I would also like to thank whole team of NBPG Regional Station Shimla, everyone was nice to me and always made a happy environment to work me there. I would also like to thank my fellows Dr. Deepika Rana, Dr. Sunaiyna, Dr. Ankur and Manoj Thakur for helping and supporting me during my every phase of research. All of you have been there to support me during the research for my Ph.D. thesis. I would also like to thank Dr.
Aman, Dr. Savita Rana, Dr. Usha, Dr. Pankaj who had helped me a lot during my work.

A very special thanks to Ms. Ranjana Negi and Dr. Deepak Gond to provide their valuable time to solve my equerry during my work.

A special thanks to my family. Words cannot express how grateful I am to my mother Mrs. Anjana Bhardwaj, father Mr. Om Dutt Bhardwaj, my younger brother Mr. Neeraj Bhardwaj for all of the sacrifices that you’ve made on my behalf. Your prayer for me was what sustained me thus far. I would also like to dedicate this work to my late grand-parents Late Mr. Amar Dev and Late Mrs Ganga Devi. I would also like to thank all of my friends Sanjay Sharma, Umesh Dautoo, Vikas Kale who supported, and incented me to strive towards my goal. You people are mazing and I thank almighty to have friends like you. At the end I would like express appreciation to my beloved wife KOMIKA BHARDWAJ who was the threshold for me to get this done finally. You spent sleepless nights with and was always my support in the moments when there was no one to answer my queries.
