ACKNOWLEDGEMENT

I thank Lord Almighty who is ever with me in all my outcomes and during all special occasions of my life. He showered me with His bountiful blessings to succeed in my Doctoral Research Work, which I suppose will stand as a monument in my life.

It is with profound pleasure, I express my sincere gratitude and heartfelt thanks to my Guide and Research Supervisor Prof. (Dr.) Mumtaz Begum, Associate Professor, School of Education, Pondicherry University, for meticulously guiding me with enthusiasm, providing valuable suggestions, encouragement, and for her continued support and critical perusal for the completion of the Thesis.

I thank the Hon’ble Vice-Chancellor, Registrar, Controller of Examinations and the Dean & Research Coordinator of Manonmaniam Sundaranar University, Tirunelveli, TamilNadu for providing me an opportunity to pursue the Doctoral Study. I express my heartfelt thanks to Head, Department of Education, Manonmaniam Sundaranar University for his support. I am extremely thankful to all the enlightened Faculties of Department of Education for their kind support, in all ways and means.

I would like to show my great sense of obligation to Dr. Feroze Begum, Principal, Vasavi College of Education, Madagadipet, Puducherry for granting me full liberty for conducting the experimental study and collecting the data in fulfillment of my thesis work.

I am indebted to my Fellow researchers Mr. R. Baskaran and Mrs. M. Lavanya, Department of Education, Manonmaniam Sundaranar University who whole-heartedly helped and supported me a lot throughout the Ph.D., Programme in order to complete it successfully.
I express my heartfelt thanks to Dr. B. Mohan Kumar, Dr. B. Anboucarassy, Dr. V. Thilagavathy (Post-Doctoral Fellows), Mr. K. Kannan, Mrs. D. Vadivarasi, Ms. P. Kowsalya, Mr. Mohammed Ali, and Mr. Md. Zaharul Hoque Ph.D., (Junior Research Fellows) of School of Education, Pondicherry University and other friends who helped and supported me to complete my study with utmost satisfaction.

It is an obvious fact that without the encouragement and understanding of my family members, I could not have completed this thesis. I will ever remain indebted to my beloved parents Mr. T. Panneerselvam and Mrs. P. Jothi, for their innumerable sacrifices and infinite blessings showered on me throughout. They have been and will continue to be perennial source of inspiration in all my endeavors.

I would be ungrateful if I do not acknowledge the help, encouragement and continuous support technically and financially of my brothers Mr. V. Thamilselvam, Mr. P. Ravindran and Mr. P. Rajarajeswaran without them this piece of research would not have seen the light of the day.

The love and affection bestowed on me by my sisters Mrs. P. Vanathy and her better half Mr. R. Balamurugan, Mrs. P. Banumathy and her better half Mr. B. Panneerselvam and Mrs. P. Mahalakshmi and her better half Mr. R. Kotteeswaran who acted as a vital force towards the completion of the study.

I take immense pleasure in acknowledging the unconditional support of my Nephews and my Niece P. Anand, P. Akshaya, P. Aravind, K. Sanjay Krishna and K. Aarav who were my pillars at the time of my downfalls and for constantly supporting me.
