**Conference Papers:**

**Government, International Organisations, Newspaper and NGO publications:**

"Dealing with the threat of climate change" *India Country Paper*, the Gleneagles Summit, 2005.

• "India takes Rich Nations to Task on Emission Norms" The Indian Express, August 22, 2007.

* 1986 SEA Arts. 6,8,11.

* Amended Art. 130s(1) and (3).

* Amended Art. 130r(2).

* Amended Art. 130s(2).

* Amended Art. 130s(4).

* Amended Art. 130s(5). The Cohesion Fund is established under amended Art. 130d;

* Amended Art. 2; see Art. 3, requiring the EC to adopt 'a policy in the sphere of the environment.'

* Art 100a (3).

* Art 130r (2).

* Art 130r(5).

* Art 130s.

* Art 130t. This formulation left open the question of which measures would be compatible with the EEC Treaty, leaving the matter to be decided in the event of a dispute by the European Court of Justice.

* Art. 1(2).

* Art. 100a(4). Article 100a(5) allows harmonization measures to include a safeguard clause authorizing the member states to take provisional measures for one or more of the non-economic reasons referred to in Article 36, subject to a Community control procedure.

* Art. 2 (iv)-(viii).

* Art. 2(i)(iii)
Art. 6.

Art. 7; The Treaty provides that Regulations shall as such become part of the internal legal order, and Directives shall leave to the authorities the choice of form and method of implementation.

Art. 1.

Art. 19.

Art. 3(1) and(2). The priority areas are air and water quality, the state of the soil, of fauna and flora and biotopes, land use and natural resources, waste management, noise emissions, hazardous chemicals and coastal protection.

Article 100a allows a member state to adopt national provisions for environmental protection which are more stringent than the Community's harmonization measures as long as the member states can demonstrate a major need referred to in Article 36:

Article 12 (2), Kyoto Protocol, fn 1.

Article 2, Kyoto Protocol to the United Nations Framework Conventions on Climate Change, Kyoto, December 11, 1997 (hereafter Kyoto protocol).

Article 3(1), Climate Change Convention, fn 2. See also, Article 10 (1), Kyoto Protocol, fn 1.

Arts. 7 to 10.

* Commission SEC (71) 2616 final (22 July 1971).

* Communication from the Commission dated 16 February 2006: 2005 Environment

* Copenhagen: EEA-Environmental assessment report No.8-1 13S.
* Council Decision 2002/358/EC of 25 April 2002 concerning the approval, on behalf of the European Community, of the Kyoto Protocol to the United Nations Framework

* Council Directives 801778/EEC, infra,559 (relating to quality of water intended for human consumption) which provides in the preamble that a ‘disparity between provisions …in the various Member States relating to the quality of water for human consumption may create differences in the conditions of the competition and, as a result, directly affect the operation of the common market…’

* Green Paper COM (2000) 87 final

* Submission by India Financing Architecture for meeting Financing Commitments under UNFCC, FCCC/ANGLCA/2008/Misc.5/Add.1 (October 17, 2008).

* IIB, 1243.

* New Art. 3(b), SEA 1987.

* Protocol I (Horizontal Adaptations), point 7, and Annex XX.

* See Article 4(1) and 12, Framework Convention on Climate Change, New York, May 9, 1992 (hereafter Climate Change Convention) and Article 10 of the Kyoto Protocol, fn 4.

* See Article 6 and 17 Kyoto Protocol, fn 1 and Decision 5/CP 1, Activities Implemented jointly under the pilot phase, in Report of the Conference of the Parties on its First Session, Framework Convention on Climate Change, Conference of the Parties, First Session, Berlin, March 28 April 7, 1995, UN doc, FCCC/CP/1995/7/Add 1.
