ACKNOWLEDGEMENTS

I consider myself extremely fortunate for having Dr. K. Ilango, M.Pharm., Ph.D, F.I.C., Professor, SRM College of Pharmacy Cum Dean, Interdisciplinary School of Indian System of Medicine (ISISM), SRM University as my guide, whose invaluable guidance, encouragement and immense support helped me in conducting and completing this research work successfully. His constant support, encouragement and inspiration shall be remembered forever and shall go away beyond the thesis.

It is my great privilege and honor in expressing my humble and loyal thankfulness to Dr. A.D. Nageswari, M.B.B.S., M.D. (Chest), D.T.C.D., F.C.C.P., D.T.C.E., (Japan), Professor and Head, Department of Pulmonary Medicine, SRM Medical College Hospital and Research Center, SRM University for her invaluable suggestions provided at various stages of the study and for all the efforts in facilitating the smooth conduct of the study.

I am highly thankful to Dr. T. P. Ganesan, Vice Chancellor I/C, Dr. P. Thangaraju, Pro Vice Chancellor (Medical), Dr. N. Sethuraman, Registrar, Dr. N. Chandraprabha, Director (Health Sciences), Dr. D. Narayana Rao, Director (Research), Dr. S.V. Kasmir Raja, Dean (Research), SRM University, Kattankulathur for their permission to do my research work.

I express my sincere gratitude to Dr. K.S. Lakshmi, Dean, SRM College of Pharmacy, SRM University for her moral support.

I wish to place my exquisite thanks to Dr. P. Valentina, Professor and Head, Department of Pharmaceutical Chemistry, Jaya College of Pharmacy.
I am thankful to Dr. A. Devarajan, Senior Resident, Ms. P. Sumithra, Staff Nurse and Ms. G. M. Kavitha, Computer operator for their assistance to conduct the study. I am immensely thankful to Dr. P.B. Kumari Jayageetha and Dr. V. Christopher Amalraj who have helped me in doing statistical analysis for my thesis work.

I owe my special thanks to Dr. P.W. Jones, Professor of Respiratory Medicine, St. George’s University of London and Dr. Mathieu Molimard, Professor of Pharmacology, University of Bordeaux, France for giving their consent to use their questionnaire for this study.

My sincere thanks to Prof. Bhakiyavathi Ravi, Mr. Kunathogaiyan, Tamil Perayam, SRM University and Prof. N. Lakshmana Perumal, Department of English, Valliammai Engineering College for their help in translation and validation of questionnaire.

I thank my doctoral committee members Dr. M. Ramesh, Professor, Department of Pharmacy Practice, JSS College of Pharmacy, JSS University, Mysore and Dr. S. Sriram, Professor and Head, Department of Pharmacy Practice, Sri Ramakrishna Institute of Paramedical Sciences, Coimbatore.

I would also like to thank Dr. G.P. Mohanta, [Former National Technical Officer, WHO - India], Professor, Department of Pharmacy, Annamalai University, Chidambaram, Dr. K. P. Arun, Assistant Professor, Department of Pharmacy Practice, JSS College of Pharmacy, Ooty, Dr. Siraj Sundaran, Assistant Professor, Devaki Amma Memorial College of Pharmacy, Kerala for their expert opinion.

Last, but not the least, I thank all the patients who were agreed to be part of this study.

M.G. RAJANANDH
