ACKNOWLEDGEMENT

This research work bears imprint of many persons who have made their invaluable contribution towards its completion. It is truly a pleasing experience when I remember all those who have helped me and become the part and parcel in my endeavour. First of all, with all my sincerity, it is my profound privilege to record my deep sense of gratitude and indebtedness towards my esteemed and erudite supervisor Prof. R.S. Yadav, Chairman, Department of political science and Dean, Faculty of Social Sciences, Kurukshetra University Kurukshetra. His affectionate and affable guidance, constructive criticism, consistent encouragement and untried willingness have gone a long way in writing and shaping my difficult ideas during my research work. He has been a steady source of inspiration.

I acknowledge my thanks to all the faculty members of the Department for their valuable suggestions and helping attitudes in the formulation of this research work. I am also grateful to the office staffs of the Department for providing me the needed secretarial assistance. The supportive library staffs of KU Kurukshetra, JNU New Delhi, IDSA New Delhi, American Center Library New Delhi and MEA Government of India have been instrumental in the completion of this effort by providing their help in getting much needed and essential references.

I take this opportunity to sincerely acknowledge the University Grants Commission, New Delhi for providing me financial assistance in the form of JRF/SRF for this present research work that strengthened me to perform my work comfortably. I would like to thanks all my friends especially Dr. Kuldeep Kumar Mehendiratta, Hitender Sharma, Dr. Sanjeet Kumar, Dr. Parveen Kumar for encouraging and supporting me
Throughout the entire endeavour. This thesis would have not possible without constant help of my life partner Neelam Kumari. She has been a steady source of motivation through all the times. I am extremely grateful for her kind cooperation from time to time.

Throughout my life, my father and mother encouraged me with love and affection. Their care, blessings and guidance have stimulated me to overcome all the obstacles. I am wordless to acknowledge their contribution to this work. Last, but not least I also express my gratitude for my little angel Vaishvi for his patience and cooperation.

If any drawback in this thesis, I alone am responsible for it.
