Acknowledgements:

First and foremost I would like to pay my profound sense of honour and gratitude to "Almighty God", who showered me indefinite blessings of courage, strength and confidence and whose benign benediction gave me the zeal to complete this cherished dream.

I would like to express my special appreciation and thanks with deep sense of gratitude to my supervisor Professor Mohammad Afzal who took the great pain of guiding me in the whole course of my research work. I express my deep sense of gratitude to Professor Irfan Ahmad, the Dean, Faculty of Life sciences, A.M.U., Aligarh for his extensive cooperation and valuable suggestions rendered during the period of my research work. I am also immensely thankful to Professor Iqbal Parvez, Chairman, Department of Zoology for providing necessary laboratory facilities.

I am thankful to all my seniors Dr. Tanveer Beg, Dr. Y.H. Siddique, Dr. Md. Mahamood, Dr. Mumtaz Jabeen, Dr. Abdullah and Dr. Jyoti Gupta for their kind support and cooperation. My sincere thanks to my lab colleagues and friends Ms. Rupaiya Hussain, Ms. Fahira Firdaus, Mr. Mohammad Fareed, Mr. Malik Azim Anwar, Ms. Sana, Ms. Namrata, Ms. Subia, Mr. K.K. Parook Ali and Mr. Bungui Gangmei for being a constant source of support and encouragement during my research period.

I express my sincere gratitude to Dr. Badaruddoza, Associate Professor, Department of Human Genetics, Guru Nanak Dev University, Amritsar for allowing me to conduct my work on STR marker (TPOX) in his laboratory and helping me in STR (TPOX) statistical analysis and interpretation. I also thank all his scholars for being very cooperative.

My sincere thanks to Mr. K.K. Shyamchandra Singh and Mrs. Pinesaki Devi of BDRC, Imphal East, Manipur, Dr. Indrajit Singh of Health centre, Rahaman road, Manipur, Dr. Firoz and Mrs. Nadira (Head Nurse) of JNMC, Porompat, Imphal East, Manipur for their kind support, cooperation and valuable suggestions. I owe my sincere thanks to Mrs. Latifan Begum (social worker) Manipur, for spending her valuable time in collecting blood samples by accompanying with me during my survey visit from different districts of Manipur for my biochemical and genomic experimental work.

I thank the officer-in-charge, Urban Health training centre, Department of community medicine, A.M.U., Aligarh for providing necessary arrangement and facilities for collecting blood samples from Manipuri students studying in Aligarh Muslim University, Aligarh. I would like to express my sincere thanks to Headmasters and teachers of A. Jalal High School, Imphal; Hafiz Brighter Academy, Imphal; Premier Foundation School, Imphal and North Point English School, Imphal, Manipur for allowing me to conduct survey for my research work.

I want to express my deepest appreciation to all my family members for the care, sacrifice, encouragement and blessings which help me to complete work. My parents Mr. M.A. Rafiunn Peer Shah and Mrs. Iqbal Chishti were always a constant inspiration for me. I am very thankful to my sister Mrs. Molsina Shah and brother M.A. Basit Shah for their unconditional love, encouragement and prayers. I am thankful to brother-in-law Dr. Atigur Rahman for the support and care he has always extended. My loving nephews Master Aqil and Master Furqan are fondly remembered. I am grateful to all my family members and relatives especially Mr. Khairuddin Shah, Mr. Syed Rafi, Mr. S.A. Ayub Chishti, Mr. Fayaz and Mr. Abdul Haque Shah, Mrs. Ismat Chishti, Mrs. Shahzad Chishti, Mrs. Daulat Chishti, Mrs. Taj Begum, Mrs. Ihsrat Chishti for their unconditional love, support and care. I owe my special thanks to my aunt Mrs. Ihsrat Chishti for
the support, care, love and strength of confidence she has given to me. The help extended by my cousins Mr. Arshad Shah and Mr. Tanveer in collecting blood samples and other survey work related with my research experiment is also highly acknowledged.

I am very thankful to my uncle Mr. Rehanuddin Chowdhury, Joint secretary (Home), Government of Manipur, for providing me necessary arrangements and permissions from Juhuhal Airport authority, Manipur for carrying blood samples from Manipur. I also acknowledge the assistance given by Mr. Abdul Hye Shah, (Ranger) and Mr. Abdul Kalam Azad Shah (Retd. Ranger), Forest Department, Govt. of Manipur, Mr. Azad Shah (Assistant Engineer) Manipur; Mrs. Palmei Chadni kabui (ASA) and Ms Athansiu in conducting survey among Naga populations from different districts of Manipur. I thank Mr. Sh. Ibobi Singh, Record officer, Directorate of Census operations, Manipur for providing Census data of different populations in Manipur related with my research work.

Financial assistance as Inspire Fellowship (Ahsana Shah, Inspire Fellow, SRF - IF-10378) for pursuing Doctoral Programme in Science and Technology, by Department of Science and Technology (DST), New Delhi Govt. of India, 2010 is highly acknowledged.

AHSANA SHAH
