Publications

Papers Accepted:

• Thermo-oxidative degradation of some common edible oils during frying; Anindita Banerjee, Santinath Ghosh and Mahua Ghosh. Accepted in Journal of Indian Chemical Society.

• Effect of Fish Frying on the Quality Characteristics of Mustard Oil and Soybean Oil; Anindita Banerjee, Santinath Ghosh and Mahua Ghosh. Accepted in Journal of Lipid Science & Technology.

Papers Communicated:

• Anti-oxidative effect of turmeric on frying characteristics of soybean oil; Anindita Banerjee, Santinath Ghosh and Mahua Ghosh. Submitted to Journal of Food Science and Technology.

• Comparative changes in oxidative stability values and fatty acid composition in fish lipid during micro-wave oven assisted frying and pan frying; Anindita Banerjee, Santinath Ghosh and Mahua Ghosh. Submitted to Journal of American Oil Chemists Society.

• Antioxidative role of lutein esters extracted from Indian marigold flower on soybean oil during heating; Anindita Banerjee, Santinath Ghosh and Mahua Ghosh. Submitted to Indian Journal of Chemical Technology.
