Acknowledgement

First of all I bow my head in all devotion, humility and reverence to my Satguru/God who has bestowed upon me so much strength that enabled me to complete this difficult and impossible task in spite of abnormal and adverse circumstances. Two sad, sudden, unfortunate and untimely deaths: first the death of my respected supervisor and guide Prof. Ramandeep Sandhu on August 11, 2011 and secondly the death of my beloved husband, Mr. Kamajit Singh Boparai on October 11, 2011 in an accident left me shattered, shocked, helpless, broken and I found myself nowhere. On account of serious multiple injuries suffered by me on all parts of my body in the same accident and heavy responsibility of two small children on my shoulders, I was completely disappointed, confused, exhausted and felt that I would not be able to pursue my Ph.D anymore. But kind, sympathetic, affectionate and helping hands of Prof. Parminder Singh, Prof. Gurupdesh Singh, his wife, Prof. Manbir Kaur, and Dr. Yubee Gill consoled, inspired, encouraged and exhorted me to come out of the impasse and face courageously and bravely the challenges lying ahead. I got big boost and relief when Prof. Parminder Singh very kindly agreed to become my supervisor and guide and the incomplete work left due to untimely death of Prof. Ramandeep Sandhu was completed under his able and expert guidance. I am thankful from the core of my heart to all these eminent personalities.

I am also thankful to Shri Ravi Sharma, the in-charge of department library, Mr. Dilbag Singh, office in-charge and other teaching and non-teaching staff for their cooperation, guidance and advice from time to time. My sincere thanks go to my parents-in-law and above all to my parents, children, brothers and their wives and sister for providing me all comforts and facilities along with physical, mental, moral and material support which enabled me to stand again on my feet and pursue my studies vigorously and with full concentration. In the end, I pay rich tributes and dedicate my this humble work to the sweet memory of my respected supervisor and guide Prof. Ramandeep Sandhu and my beloved husband Mr. Kamaljit Singh Boparai who are not alive this day to see that their inspiration, efforts, hopes and expectations have born fruit.
