

ACKNOWLEDGEMENT

In the name of Allah, Most Gracious, Most Merciful

All the praises and glories to Almighty, Allah, for his showers of blessings throughout my research work and for providing me health, strength, courage and patience to complete the research successfully.

No abundant exertion is successful and accomplished without some helping hands. The assignment requires assistance, motivation and guidance for its completion and success. The research work, which I have endeavored here permits me to acknowledge my gratitude to all those, whose works, ideas and support have been so helpful to me for its completion.

It is a profound privilege to express my deep sense of gratefulness towards my esteemed supervisor, my mentor (Late) Prof. Abdul Qayyum Khan, Department of Commerce, Aligarh Muslim University, Aligarh, for his meticulous guidance, vigorous criticism, sagacious advice and constructive suggestions throughout the research work. Despite heavy demand on his time, he had always been kind enough to provide all guidance and help whenever it was needed. His generous attitude, academic approaching and professional competency were the source of motivation to all those who had the privilege to work with him. I shall ever remain thankful and indebted to him. May Allah bless him and his soul finds rest and peace in the Heaven!

I express my deep sense of gratitude to Prof. S. U. Farooqui, Chairman Department of Commerce, Aligarh Muslim University, Aligarh, for being my supervisor after the demise of my guide. I am highly grateful for his moral support, assistance and valuable criticism at each and every stage of this work. Without his guidance, advice, and supervision, I would not have submitted this research work in time.

I owe my hearty thanks to Prof. Mohd. Mohsin Khan, Dean, Faculty of Commerce, Aligarh Muslim University, Aligarh, for his invaluable support and kind patronage. He also provides all the basic infrastructures and amiable atmosphere to pursue Ph.D.

I would like to express my intense gratitude to my Ex- supervisor Prof. Z.U. Khairoowala, former Chairman, Department of Commerce, Aligarh Muslim University, Aligarh, who inspired me a lot while doing my research work, I am also thankful for his meticulous fruitful comments and, giving me valuable inputs and suggestions.

I also owe a sense of deep gratitude to Prof. Badar Alam Iqbal, Prof. S. Hussain Ashraf and Prof. Nasir Zameer Qureshi, Department of Commerce, Aligarh Muslim University, Aligarh for their invaluable support and guidance in completion of the thesis.

I gratefully acknowledge Prof. Walid Ahmad Ansari and Prof. Parvaiz Talib Department of Business Administration, Dr. Mohd Tarique, Department of Economics, Aligarh Muslim University, Aligarh and Dr. Mohd Taufeeque Siddiqui, Jamia Millia Islamia, New Delhi. I am much indebted to Prof. Walid Ahmad Ansari for enlightening up the way in my darkest time with his expert advice in the application of statistical tools and techniques, furthermore, using his precious time to read this thesis and gave me critical comments about it.

I can never thank enough my Maternal Grand Mother, Mrs. Najma Begum and my Maternal Uncle Mr. Hasan Intezar and Mr. Shueb Abbas, Advocate B.A.Khan, Mr. Shabiul Hasnain and Maternal Aunt Mrs. Aasiya Tabassum, Mrs. Tarannum Asadi, and all my cousins for always believing in me and inspiring me to strive for excellence.

No words could adequately express my profound gratitude to my parents, which they have done for me throughout my life. I cannot stand anywhere without my family. My parents deserve special thanks for their inseparable support and prayers. My Father, Late Nawab Kabir Hasan (Khan), in the first place is the person who put the fundament my learning character, showing me the joy of academic pursuit ever since I was a child. My Mother, Mrs. Shehnaz Begum, is the one who sincerely raised me with her caring and gently love. Her sacrifices, prayers, affection and love made me reach this stage. Mrs. Gulnaz Kabir, Mrs. Seemin Kabir, Ms. Sunaila Kabir, Er. Faran Hasan and Er. Kamran Hasan thanks for being supportive and caring siblings. Their love, support and encouragement have made me felt most protected against all odds of life. They have been a pillar of strength in the completion of my thesis.

I convey my profound gratitude to my Brother-in-Law Dr. Roshan Taqui and Mr. Razi Abbas for their emotional support. Their love and support are additional sources of my motivation to push myself for excellence.

This enormous task would not have been possible without the immense affection and support of my husband, Er. Ali Arshad Ali. His dedication, love and constant confidence in me, has taken the load off my shoulder. I owe him for being unselfishly let his intelligence, passions, and ambitions collide with mine. Therefore, I would also thankful to my in-laws Dr. Ali Ashhad and Mrs. Sajida Khatoon, for letting me take his hand in marriage, and accepting me as a member of the family, warmly. They strengthened me to stand strongly when I was hopeless and weak during the course of the study. Furthermore, I would express my special thanks to my sister-in-law, Er. Mahdiyah Ali, with their thoughtful support and love.

Several people who remain unnamed helped me at various stages of the study and I owe my gratitude to them as well as expressing my apology that I could not mention personally one by one. They were directly or indirectly interested in successful completion of this Research work,

Last but not the least; I would like to dedicate my thesis to my parents for making me the person I am today.
