Informed Consent for Participation in the Study

Information to the Participants
You are being asked to participate in a research study.
The purpose of this study is to assess the “Suicidal Ideas Identification among College Students in Kolkata”.
Read to the following statements and kindly give your consent by signing this form if you are willing:

1. I understand that my participation in this program is voluntary and I may withdraw my consent at any time without any consequences to me.

2. I understand that this program will contribute to scientific knowledge that will be used to develop intervention for students with suicidal ideas.

3. I understand that there are no foreseeable risks to me.

4. I understand that all information collected will be confidential. In all probability, there will be publications or educational uses based on the information collected from me. These publications will present group result only. They will not include any material that is identified with me or with my name.

5. I understand that I may ask questions about any aspects of the study at any time. Should I have any questions or concerns I may contact to:

   Soma Hazra
   Ph.D. Scholar
   Dept. of Applied Psychology, University of Calcutta
   Mobile No.: 09874364506
   Email: somahazra@gmail.com

I have read above and given my consent to participate in this research study.

Signature of the participant: Date:
