ACKNOWLEDGEMENT

I acknowledge my sincere thanks and gratitude to my respected guide Professor (Dr.) Debabrata Chakraborty whose kind attention and valuable guidance and fruitful suggestions made it possible for me to carry out my project on the stated topic.

I also acknowledge and express my sincere gratitude to Prof. A.N. Banerjee, Prof. P. Sarkar, Prof. S. Aditya, Dr. Dipankar Chottapadhyay, Dr. Dipa Ray, in the Department of Polymer Science and Technology & Prof. R. Majumdar in the Department of Chemical Technology for their co-operation and valuable suggestion and constant encouragement throughout the entire course of my research work.

I also express my sincere gratitude to Dr. Samir Kumar Siddhanta for his valuable suggestion, stimulating discussion and constant encouragement throughout the entire work.

I am thankful to Reliance Industries Ltd. Indian Association for The Cultivation of Science, Indian Institute of Packaging (IIP), BIT Mesra, IIT Kharagpur, J.K. Tyre (Rajasthan), Sika India Ltd. and Department of Chemistry (C.U) for carrying out the testing of my samples as and when required.

I am also thankful to Mr. P.K. Saha and Smt. Malobika Pandit for their constant encouragement and valuable suggestion.

I express my gratitude from deep core of my heart to my late-parents, elder brothers and sister whose cooperation have helped me a lot in completing my project.

I also express my sincere thanks to all of my friends and non-teaching staff of the department for their extensive support during the course of completion of the work.

My colleagues are also highly acknowledged for their kind cooperation.
