ACKNOWLEDGEMENT

With immense pleasure and profound sense of gratitude, I am highly grateful to Dr. R. S. Singh, former Principal Udai Pratap Autonomous College, Varanasi, for his supervision, sagacious guidance, constructive criticism and affectionate behaviour during the course of investigation.

I am very much indebted to Dr. Gulab Chand Singh, Principal Udai Pratap Autonomous College, Varanasi, for extending the required facilities to carry out this research work and providing encouragement at every stage.

My sincere and special thanks to Dr. Jagdish Singh, (former Principal, S. B. P. G. College, Badalapur, Jaunpur and U.P. Autonomous College, Varanasi) and Head, Department of Agricultural Chemistry and Soil Science, Udai Pratap Autonomous College, Varanasi.

I wish to record my cordial thanks to all the staff members of Department of Agricultural Chemistry and Soil Science, Udai Pratap Autonomous College, Varanasi.

My sincere thanks are due to my seniors, colleagues and friends, who helped me in various ways, directly and indirectly during the course of present study.
I take this opportunity to acknowledge my sincere regards to my parents, sisters, brothers, sister in laws and other relatives whose blessing and affection showed me the rays of light.
