LIST OF TABLES

No. | Table | Description | Page No.
--- | --- | --- | ---
Table - 1.1 | Summary of characteristics associated with more effective teachers | 28
Table - 3.1 | Distribution of the sample | 75
Table - 3.2 | Showing Split-half and Test-retest Reliability | 78
Table - 3.3 | Showing Percentile norms (N=202) | 78
Table - 3.4 | Area-Wise Distribution of scale items | 79
Table - 3.5 | Showing Split-Half and Test-Retest Reliability | 80
Table - 3.6 | Showing Percentile Norms (N=400) | 81
Table - 3.7 | Showing reliability coefficients | 82
Table - 3.8 | Showing Scores for each item | 83
Table - 3.9 | Total Number of favourable & unfavourable items and scale-wise serial numbers | 85
Table - 3.10 | Reliability coefficient, indices of reliability, corrected coefficients and standard errors of measurement | 87
Table - 3.11 | Scheme Administration of data gathering tools | 91
Table - 4.1 | Showing Mean and SD values on Job Satisfaction Questionnaire by teacher respondents of Govt. aided and Non-aided institutions as function of their sex and teaching experience. | 98
Table - 4.2 | Summary of Three-way Analysis of Variance | 100
Table - 4.3 | Showing t Values | 102-103
Table - 4.4: Showing Mean and SD values on Teaching Effectiveness Scale by teacher respondents of Govt. aided and non-aided institutions as function of their sex and teaching experience

Table - 4.5: Summary of Three way Analysis of Variance

Table - 4.6: Showing t Values

Table - 4.7: Showing Mean and SD values on Locus of Control Scale obtained by teacher respondents of Govt. aided and non-aided institutions as function of their sex and teaching experience.

Table - 4.8: Summary of Three way Analysis of Variance

Table - 4.9: Showing t Values

Table - 4.10: Showing Mean and SD values on Teacher Attitude Inventory-obtained by teacher respondents of Govt. aided and non-aided institutions as function of their sex and teaching experience.

Table - 4.11: Summary of Analysis of Variance

Table - 4.12: Showing t Values

Table - 6.1: Distribution of the sample

Table - 6.2: Showing Mean and SD values on Job Satisfaction Questionnaire by teacher respondents of Govt. aided and Non-aided institutions as function of their sex and teaching experience.

Table - 6.3: Summary of Three-way Analysis of Variance

Table - 6.4: Showing t Values

Table - 6.5: Showing Mean and SD values on Teaching Effectiveness Scale by teacher respondents of Govt. aided and non-aided institutions as function of their sex and teaching experience.
Table - 6.6: Summary of Three way Analysis of Variance 176
Table - 6.7: Showing t Values 176-177
Table - 6.8: Showing Mean and SD values on Locus of Control Scale obtained by teacher respondents of Govt. aided and non-aided institutions as function of their sex and teaching experience. 178
Table - 6.9: Summary of Three way Analysis of Variance 179
Table - 6.10: Showing t Values 180-181
Table - 6.11: Showing Mean and SD values on Teacher Attitude Inventory-obtained by teacher respondents of Govt. aided and non-aided institutions as function of their sex and teaching experience. 182
Table - 6.12: Summary of Analysis of Variance 183
Table - 6.13: Showing t Values 184-185
