ACKNOWLEDGMENT

I take this opportunity with pride and pleasure to convey my deep sense of gratitude and thanks to my supervisor Prof. P.S.Ramakrishnan, who is inseparable from my vision at any point of time in my life. He was always lovingly showed his profound interest and devotion in completing the present thesis successfully and stand as a moral support for ever.

I owe my deep sense of feelings and indebtedness and extend my sincere gratitude and profound thanks to my Co-supervisors Dr. K.G.Saxena and Dr.K.S.Rao. I recognize them as individuals who laid foundation for my research career.

I am thankful to the Dean (SES), Prof.J.Subba Rao, who gave confidence and encouragement during the initial phase of my association with JNU and readily provided me with adequate research facilities to submit this present work. I am also grateful to Prof.V.Subramanian and other teachers, Dr. A.K. Attri and Dr. Brij Gopal for their logistic support.

At this juncture I would like to express my profound thanks to the Directors of G.B. Pant Institute of Himalayan Environmental and Development, Kosi-Kattarmal, Almora, Prof. P.S.Ramakrishnan (founder director), Prof. A.N.Purohit and Prof. L.M.S. Palni for providing technical assistance during my field work.

I am also thankful to Dr. A.K.Das, Dr. Usha Goel, Dr. R.K.Maikhuri, Dr K.K.Sen, and Dr.Thunira Bhadauria. Also my thanks are due to my lab mates Govind Chandra Mishra, Bhashker Sinha, Abdul Wakeel, Kritika Singh, Ravi Gavli, K. Chandrasekar and my batchmates for their help in various ways.

Also my thanks is due to Mr. Nagender, for his concern and co-operation through out my stay in JNU. Added to this I would like to thank Puran Chandra fulara, Taradut Fulara, Vikram Singh, Dayal Ram Arya, Rita Muyal, Richa Arya, Dinesh Singh, Nandi and Kandpal (Almora) for their time and support which facilitated the work.
My grateful thanks to Prof. R. Raman and Dr. Babujee, my teacher in Loyola College who helped me in finding the way to JNU and constantly continued their concern and encouragement. I am equally indebted to my School teacher Mr. N. Palani, for his love and passion.

I bow my head for the blessings of my late grand father and grand mother. The same is extended to my mother, father, brother and other family members for their dedicated and energetic efforts that stood as a boon to gain knowledge and education leading to this pleasant juncture that I am in today.

It is very difficult to capture the words to express my feelings towards my friend Bhuvana and her family for their support.

Heartiest thanks goes to my friends Sundar, Balaji, Hari, Siva, Pampa, Bala, Archana, Paulraj, Peer, Nelson, Jawahar and Dhinakar family, Anil, Ramki, Rambabu who gave their constant encouragement through out the course of this research. Also my thanks goes to Mr. Sagar (Sirus Infotech) for his time to time help during the course of my Ph.D. by providing computer service.

Finally, I express my thanks to UGC/JNU and funding from research project of Prof. P.S. Ramakrishnan for their financial support that facilitate this work.
