ACKNOWLEDGEMENT

I would like to take the opportunity to articulate my sincere appreciation towards all those who were instrumental in completion of my Ph.D research work.

First and foremost I place my thanks to the merciful Lord Almighty for His kind blessings and I respectfully dedicate this humble work in His Lotus feet as an offering to Him.

I heartily express my gratefulness and obligation to Dr. (Mrs.) Latika Sharma (Prof., Department of Education, Panjab University, Chandigarh) my esteemed guide for her valuable guidance, encouragement, scholarly suggestions and giving me the wings to complete this work. Her constant support, immense patience, love and motivating nature inspired me to put in my best efforts.

I am also thankful to Dr. Vandana Mehra, Chairperson, Department of Education, Panjab University, Chandigarh for providing me research facilities in the department.

My deepest sense of gratitude and thanks to Sh. D.S. Bedi, chairman, Shivalik Educational Society for magnanimously permitting me to conduct my experimental work in Shivalik Public School, Mohali.

I am greatly indebted to Dr. (Mrs.) Satpal Kaur Grewal, Principal, Shivalik Institute of Education and Research, Mohali for inspiring me with her insight and motivating me in my research journey.

I extend my sincere thanks to Dr. Neena Sawhney, Principal, Chandigarh College of Education, Landran for providing me possible help whenever necessary to complete my thesis work.

I also express my deep sense of gratitude to all my colleagues especially to Ms. Sarita Gulati and Ms. Seema Malik for their support and valuable inputs.

I would like to thank Ms. Gurkiran Kaur and Ms. Anupkiran Kaur, Principals of Shivalik Public School, Chandigarh and Mohali. Also their teachers and students for all kinds of support and cooperation during my data collection.
I am blessed with wonderful families who encouraged and supported my work. My deepest gratitude is extended to my Father-in-law and mother-in-law for their moral support and to my parents, especially my father who is always loving, supporting, motivating and showed continuing confidence in me throughout my educational career. He has always propelled me further in my educational quest through his expectations from me to be the best. I have no words to express my deepest sense of gratitude to my loving husband who gave me support, inspiration, cooperation and kept faith in me to achieve my goal. Without the motivation of my father and my husband, this dream would have not been fulfilled. I can never forget the help rendered to me by my brothers, sisters, sisters-in-law, niece and nephews. My absolute love and appreciation is due to my lovely kids Mridul and Harshit who have been a pillar of strength and a beacon of hope for me.

My thanks are also due to the rest of my family members for standing by me and providing encouragement from time to time.

Finally, I thank you Ipshita, Akshit, all my friends and my students, fellow researchers for their willingness to help.

I am also indebted to each and everyone who even by the smallest thought, word, or deed has helped me during this period of study.

Jyoti Soni
