ACKNOWLEDGEMENT

I would like to acknowledge my deep sense of gratitude to my supervisors Prof. A. K. Sharma, Dr. Sandeep Singh and Dr. Divakar Yadav for their continuous guidance, valuable advice, motivation, enthusiasm and immense knowledge. Their guidance has helped throughout my research work.

Prof. A K. Sharma has encouraged me to do Ph.D and he has always supported me like a father. He has immense experience which has helped me in my research work as well as in personal life. Dr. Sandeep Singh is very hard working. He has given all his heartily time, effort and thoughts to improve my research and he has given a new direction to my work. Dr. Divakar Yadav is very kind hearted and he has always helped me in taking firm decisions during critical situations. He has always given his valuable inputs in improving the quality of work.

I also appreciate committee members, Prof. S C Saxena, Prof. Krishna Gopal, Prof. Sanjay Goel, Prof. Bani Singh, Dr. Krishna Asawa and Dr. Vikas Saxena for giving their insightful comments which enabled me to notice weaknesses of my work and make the necessary improvement accordingly.

I am also thankful to Prof. J. P. Gupta for his encouragement and continuous feedback.

I would like to thank my colleague and friend Ms. Ruchi Goel for her continuous support in all my tough time during research work.

Last but not the least; I would like to thank my family, my parents for their blessings and my husband Mr. Bajrang Aggarwal for his continuous support. I am grateful to my elder sister Mrs. Kamlesh and brother-in-law who always supported and encouraged me to work hard. I am thankful to my mother-in-law Mrs. Vidya Aggarwal for the support she has given me at home and to my daughters Kashvi and Khushi for their patience and compromises during the span of my Ph.D. research.
