ACKNOWLEDGEMENTS

"With immense pleasure I present this thesis"

As I come to the end of this research work, I am conscious of my obligations to persons and institutions. While it is impossible to acknowledge all of them, or any of them adequately, I consider it my privilege and foremost duty to record here my sense of indebtedness at least to some.

I mention the foremost is my supervisor Dr. R.S. Bali for his keen interest, encouragement, undistinct guidance and invaluable suggestions. My expressions are perhaps not adequate enough to express the debt that I owe towards him who not only guided me but characteristically left no stone unturned to help me and gave the glimpses of real research.

I acknowledge my fervent thanks to Prof. P.K. Shrivastava, Head, Department of Anthropology, Dr. Harisingh Gour University, SAGAR, for providing me necessary facilities and constant help for these investigations.

I feel extremely grateful to Prof. S. Saha, Dr. H.N. Patarea, Dr. Ramesh Choubey, Shri C.B. Singh, Dr. Kalpana Saini and Dr. A.N. Sharma for their encouragement and valuable suggestions in enlightening my understanding regarding research work.

I record my sincere thanks to Mr. U.N. Joshi, Director, Forensic Science Laboratory, SAGAR for his kind help at almost every step of my research work. Thanks are also due to Shri S.B. Mandlik (Technician Photographer, FSL, SAGAR) for his help in photographic work.

I express my heartfelt thank to Dr. V. Sunder Rao, Professor of Botany (Retd.), for his valuable guidance and kind help in various parts of my research work.

I would like to record my sincere thanks to Dr. P.K. Seth, Dr. (Mrs.) S. Seth, Dr. P.K. Ghosh and Dr. (Mrs.) R. Ghosh (Delhi
University) for providing guidance and invaluable help for the present investigations. I gratefully acknowledge Dr. Igoti Chouhan, Dr. Jayshree Chouksey and Col. S.C. Kohli, A.M.C. (Military Hospital, Sagar) for their help received in the important part of my research work.

I am also thankful to the University Grants Commission, New Delhi for providing me a research fellowship and made my task convenient.

My thesis would have not seen in the present form without requisite motivation, support and help which I received overtly or covertly from my colleagues, friends and wellwishers even at the cost of their invaluable time. I gratefully acknowledge my immeasurable gratitude towards them.

I thankfully acknowledge the constant help received from all the workers of Department of Anthropology, Dr. Harisingh Gour Vishwavidyalaya, SAGAR. I shall remain grateful to them.

I extend my thanks to Shri S.D. Devusker, Unique Multiprints, Sagar for typing the thesis neatly and Shri G.N. Shrivastava (Department of Applied Geology, Dr. H.S. Gour Vishwavidyalaya, Sagar) for neat and correct topographical work and extending other facilities so willingly.

Overwhelmed with emotions I feel myself at the total loss of words, when I remember the love, blessing and affection of my father, mother and other family members. I must not fail to express my deep sense of gratitude to my family members without whose patience, sacrifice and cooperation, I would have not enjoyed my research period.

[ Chandra Lekha Panwar ]
