ACKNOWLEDGEMENT

I am greatly indebted to my teacher and guide Dr. G. Devarajan, Professor and Head of the Department of Library and Information Science, University of Kerala for his valuable guidance, continuous encouragement, persuasion and firm decisions which resulted in the materialization of my thesis. I am also grateful to my teacher, Sri.Vijayakumar, K. P. for providing many valuable data, timely directions and suggestions in writing the thesis. I wish to express my sincere thanks to my teachers Smt. K. K. Lalitha Bai and Sri. M. Varghese, who constantly encouraged and compelled to submit the thesis at the earliest. I also thank Dr. A. Gopikuttan, Lecturer, Department of Library and Information Science, University of Kerala, for helping me in the Computer Lab of the Department of Library and Information Science to locate some of the source materials for the study.

I express my thanks to Sri Rajendan, Librarian of the Kerala Sahitya Academy Library, Trissur for allowing me to consult the books, catalogues and accession registers of the library. Thanks are also due to the library staff of the Kerala University Library; Department Libraries and Campus Library, the State Central Library, Thiruvananthapuram; the Legislature Library; the Centre for Development Studies; the CMD Library; and the IMG Library. Smt. Jalaja Kumari, C. Librarian of the Department of Library and Information Science deserves special thanks for the assistance she provided in finding out the source materials for my study. I also thank Mr. Biju and his staff of the Alpha Enterprises for their prompt and neat DTP work..

I wish to express my deep sense of gratitude to my husband and all other family members for their encouragement and support. I am very much obliged to my father, the late G. Sivanandan, who was the driving force behind this venture. I also thank all my friends and relatives for their encouragement.

Finally, I pay my obeisance to my Guru whose blessings have always been my strength and consolation.

Beena, S.
