ACKNOWLEDGEMENT

First and foremost I would like to thank God. You have given me the power to believe in myself and pursue my dreams. I could never have done this without the faith I have in you, the Almighty.

Working as a research scholar for Ph.D. in Dayalbagh Educational Institute University was a magnificent as well as challenging experience for me. In all these years, many people were instrumental directly or indirectly in shaping up my academic career. It was hardly possible for me to thrive in my doctoral work without the precious support of these personalities.

I take immense pleasure to express my sincere and deep sense of gratitude to my supervising guide and mentor, Prof. D. Sarveshwara Rao, Head, Department of Botany former Dean, Faculty of Science, for his sustained enthusiasm, creative suggestions, motivation and exemplary guidance throughout the course of my doctoral research. Apart from the subject of my research, I learnt a lot from him, which I am sure, will be useful in different stages of my life. I solemnly submit my honest and humble thanks to him for bringing my dreams into reality.

I must express my gratefulness to Emeritus Professors, Dr. S.S. Bhojwani, Dr. V. P. Bhatnagar, Dr. A.K. Bhatnagar and Prof. G. P. Satsangi, Prof. J.N. Srivastava, Prof. P. K. Dantu, Dr. S. K. Soni, Dr. Sharmita Gupta, Miss. Akanksha Kaithwar, Mr. Rajiv Ranjan, Dr. Shabd Kumar, Mr. Santosh K. Satsangi, and other staff, for their encouragement, inspiration and moral support, during the course of my research.

I express my thanks to Prof. V.G. Das (Director, DEI), for providing all basic facilities to carry out the research work.

I am grateful to my colleagues Miss. Pooja Dhuppar and Mrs. Basanti Chintapalli (Research Scholars), Botany Department for their cooperation, and necessary help during my Research work.
I am grateful to Mrs. D. Soami Pyari, D. Sumir Rao, Mrs. Ragini, Suhavan and sweet chotu Sahaj for their support and care like a family member during my research work.

I thank my Senior Mr. Vinay Kumar, Dr. Sanjay Yadav, who helped me a lot during my research work. I would like to thank my friend Mrs. Namita Vijay Gupta and juniors, Abha Singh, Anamika Gupta, Shiwani, Nupur, Dharmendra, for providing support during my research work.

I am thankful to Indian Meteorological Department, Pune for providing historical weather data of Agra and The Institute of Microbial Technology, Chandigarh for timely providing me the necessary bacterial strains.

I owe a word of thanks to (Late) Shri Subedar Singh ji, Manager, Shri Ninu Saxena, Assistant Manager, RSS Agriculture Farm, Dayalbagh, Agra, Prof. Soami Pyara Satsangi and Mr. Gurlal, USIC, DEI for their kind cooperation in field studies and those who could not find a separate mention but helped me directly or indirectly.

I am speechless! I can barely find words to express all the wisdom, love and support given to me for that I am eternally grateful to my beloved parents Shri R.C. Biyan & Smt. Archana Devi, my elder brother Mr. R.C. Biyan and Bhabhi Kavita and Saroj for support and encouragement. They have been selfless in giving me the best of everything and I express my deep gratitude for their love without which this work would not have been completed.

There are so many others whom I may have inadvertently left out and I sincerely thank all of them for their help.

I am grateful to UNIVERSITY GRANT COMMISSION, New Delhi for providing me financial assistance in the form of JRF and SRF under the Rajiv Gandhi National Fellowship Scheme.

.........Subhash Chandra Biyan
