Certificate from the Supervisors

This is to certify that Ms Arundhati Bezbarua worked under our guidance while preparing her thesis entitled "Human Impact on Forest Community Structure – A case study in the Eastern part of Manas Biosphere Reserve". She has fulfilled all the requirements relating to the submission of a thesis for the Ph.D. degree under this university. This thesis is the result of her original research and neither the thesis nor any part thereof was submitted for any other degree of this or any other university.
