ACKNOWLEDGEMENTS

I consider myself to be fortunate to have been associated with Dr. Vani R.M., Professor and Head, University Science Instrumentation Centre, Gulbarga University, Kalaburagi, who introduced me to the fascinating interdisciplinary field of embedded systems & wireless embedded systems. I sincerely thank Madam for her invaluable guidance, meticulous care, motivation, everlasting zeal and a lot of patience, which were of immense help in bringing out my research investigations in thesis form. I feel it is wise and matter of pride to express my loyalty infused in me by Madam.

I am extremely grateful to Prof. (Dr.) S.R. Niranjana, Hon’ble Vice-Chancellor, Prof. (Dr.) E. T. Puttaiah and Prof. (Dr.) G.R. Naik, Hon’ble former Vice-Chancellors and Prof (Dr) Dayanand Agasar Registrar & former Registrar Prof. (Dr.) Chandrakant M. Yatanoor, Gulbarga University, Kalaburagi, for their administrative support and permitting me to carry out my research work in Department of Applied Electronics, Gulbarga University, Kalaburagi.

I express my sincere and heartfelt gratitude to Dr. P. V. Hunagund, Member of Academic Council and professor Department of P.G. Studies and Research in Applied Electronics, Gulbarga University, Kalaburagi, for his valuable suggestions, immense help and providing all sort of facilities throughout my research work.

I am pleased to acknowledge the help and support provided by Professor & Chairman Dr. R.L. Raibagkar, Dr. S.N. Mulgi, and Dr. P.M. Hadalgi, Department of Applied Electronics, Kalaburagi, for their valuable suggestions for my work.

My sincere thanks to my friend Sri. AnnaRao S.J Head, Department of Electronics, IHE’s Society’s Women’s Polytechnique College, Kalaburagi, for his technical support in executing my research work.

I am grateful to administrator & staff of Dhanvantari Hospital (Charitable Trust) and Rameshchandra Lahoti Medical Research Centre, Kalaburagi, for giving permission to access the hospital facilities in recording the clinical trials of my research work.
My thanks to my research colleagues Dr. Naveena S. M., Dr. Mallikarjuna L. S., Mr. Prashant R. Telkar and Mr. Prahladrao Kallure for their kind co-operation and timely help while executing my research work.

I would like to record my special thanks to University Science Instrumentation Centre Technical Office Er. Omprakash Jadhav, staff members Sri. Pandari P. Dhane, Sri Hanumanth C, Sri Kapoor B, Sri Mallikarjuna K. and Sri. Manjunath Nayak for extending their assistance to me whenever needed during my research work.

I am highly indebted to express my gratitude to my beloved father Sri. Laxmikant Acharya & Late Smt. Saroja, my brother Sri Narendra Acharya, his wife Smt. Anita Narendra F (M/S Nivedita Builders) and their children Kum. Saroja N.F & Smita N.F for their encouragement in continuing my higher studies.

I wish to acknowledge the love and patience shown by my wife Smt. Vinoda Sudhindra F and my son Kedar S.F & my daughter Haripriya S.F during my research work.

Finally I would like to acknowledge special thanks to those who have helped me directly or indirectly during the entire period of my research work.

Sudhindra Ferozabadkar
