First of all I would like to express my sincere gratitude and thanks to my supervisor, Prof. Rani Gupta for her enlightening guidance, constant encouragement and help at each stage of my research. Her remarkable scientific approach and productive discussions made me walk through this journey with ease. She is an extremely caring and understanding person. I am very fortunate for having her as my guide.

My sincere thanks to all esteemed faculty members of the department. I am grateful to Prof. J.S. Virdi, Prof. R.C. Kuhad, Prof. T. Satyanarayana and Prof. R.K. Saxena for their encouragement and support. I also take this opportunity to thank Dr. Swati Saha for providing timely help and valuable suggestions. I extend my thanks to Dr. Amita Gupta, Dr. Rajeev Kaul and Dr. Yogesh Khasa for their suggestions and support.

Special thanks are due to Mrs Meena Singh, Mr. Mustafa Hussain, Mr. Satish, Mr. Madan, Mr. Rishi Pal, Akhtiar, Sunil, Vikram and Manwar for their assistance. A special thanks to Nandan for always helping me in various lab work.

Thanks to Pankaj Sir, Gurvisha and Ankita from Lead Invent for their fruitful discussions and suggestions.

Financial assistance provided by University Grants Commission (UGC) for my research is duly acknowledged.

A special thanks to all my labmates Rinky, Arti, Vishal, Ved, Shruti, Tanvi and Neha for keeping things going for me. I also acknowledge the motivation and support of my seniors- Qasim, Ekta, Suresh, Priya and Neeru. A special thanks to Ratan for all the counseling and motivation. It was fun working with him. Thanks to the entire graduation group, Seenu, Nitisha, Neetika, Rachit and Saurabh.

I would also acknowledge my colleagues Mahesh, Pradeep, Pawan, Priyanka, Somnedru, Lohit, Jaya, Neha, Kasturi, Jasmine, Devananad, Adarsh, Digvijay, Archana, Bharti, Vikas, Deepika, Shialendra, Swati, Heena, Priyanka, Shweta, Vinod, Bhuvnesh, Priyush, Deepa, Priti and Rishi for their help during my stay in the department.
It is almost impossible to thank my parents, without their constant support and motivation this journey would not have been possible. They instilled in me the confidence to drive through this journey. Thank you mummy for always encouraging me and standing by me through all ups and downs. Thank you papa for your constant efforts for making me smile at the end of a hard days work. A special thanks to my sweet sister, Manjul for her unconditional support, patience and love that helped me tide over everything. Thank you Manjul for being my best friend.

I’d like to thank Bhagatji from the deepest core of my heart, he was always their for me in both good and bad times of this journey. Besides holding an ultimate position in my life as a guru, he’s a friend, a father and almost everything to me. His never ending confidence, encouragement, love pushed me correct through this way with ease.

My deep sense of gratitude to Kalyanji for showering loads of love and care. His calm and peaceful aura always inspired me to remain stable. Blessings of Ammaji and Pitaji were always there with me. I would also like to thank Maya aunty for always encouraging me to work hard with a smile.

A special thanks to Pankaj bhaiya for helping me to relax after the hectic day in lab by his bhajans. I have got to learn a lot from his divine experiences and extraordinary advices. Thanks to Neelam aunty for boosting my confidence and infusing a lot of enthusiasm and zest towards work.

My heartfelt gratitude to my family for their unending support and motivation which inspired me to work at my fullest.
