ACKNOWLEDGEMENT

I acknowledge the kind help and encouragement given to me by Dr. A.P. Mathur, D.Sc. former Principal, and Prof. S.S. Doosaj former Head of the Chemistry Department, T.R.S. College, Rewa in carrying out the research work. My thanks are due to the Principal and to the Professor of Chemistry, University College of Agriculture, Rewa for their kind permission to use their library. I am also thankful to all the authors and publishers mentioned at the end of every chapter of the text. In the end, I am highly obliged to Prof. M.D. Ratnakar, Head of the Chemistry Department, Govt. Science College, Rewa for his very kind and helping attitude.

Rewa:
May, 1965.

(A.S. Kapur.)
Assistant Professor of Chemistry,
Govt. Science College,
