Acknowledgments

It is my privilege to express my deep sense of gratitude to Dr. Rajiv Bhat for initiating me into the study and offering me his able guidance. His scientific acumen and constant encouragement has been vital for the materialization of this work. It has been an enriching experience that I shall continue to cherish.

Had it not been for Prof. T.P. Singh who taught me at the graduate course, I would probably not be pursuing career in science. I would like to express my sincere gratitude to him.

I would like to thank past and present chairpersons for their help and cooperation.

I would like to express my gratitude to Dr. K.J. Mukherjee for his insightful scintillating discussions over cups of tea.

I would like to acknowledge my labmates especially my seniors Jaikumar and Vani for making me feel welcome in the lab. and helping me in every possible way to adjust comfortably in the laboratory. I am thankful to Jaikumar for teaching me the basics of various techniques, and for insightful discussions on or off the subject. His positive criticism has helped me to be a better person in every possible manner. I would like to acknowledge Rajesh for all the help provided by him and also for being a good company. I am thankful to my other labmates, Dr. Jha, Prasanna and Suneel for maintaining a cordial atmosphere in the laboratory and for their last minute help, especially Prasanna. I shall always cherish my association with my M.Sc. project friends especially Juhi, Sri, Ashish, Nikhil, Sheffali and Ravi.

I am thankful to my friends Rashmi, Arpita, Shobhita, Jai, Deotosh, Umesh, Jagdish, Prashant, Sanjeev, Tapas, Rajiv, Akash, Bru for being wonderful company and extending their unconditional help whenever required. They are friends in need and friends indeed.

Words are not suffice to express my thanks to Rashmi. She deserves a special mention for her untiring support and help in maintaining the steady progress of the work and also for helping me to cope up with the pressure of work.

I would like to acknowledge Shivram and Gaurav for the last minute help.

I am thankful to my hostel friends Rajiv, Abhay, Tariq, Dhyanchand, Pratap, Chitra for being great company especially at meal times.

I gratefully acknowledge the help from Dr. Subba Rao, Mr. Chari, and Mr. Inder at BIC Jawaharlal Nehru University.

I am thankful to Andrew for his help with the CD experiments.

I am also thankful to Naipalji, Bishu and Ramsukh for their help and assistance. I would like to acknowledge the Centre for Biotechnology office staff for giving prompt help at all the times.

A constant and untiring help and moral support provided by all the members of my family especially from parents and eldest brother and sister-in-law is beyond my power of expression. I would like to acknowledge and thank my cousin sister for providing the much needed respite from the monotony of work at times.

The financial support in terms of fellowship provided by Jawaharlal Nehru University is gratefully acknowledged.
