

ACKNOWLEDGEMENT

The successful completion of any task will be incomplete without complementing those who made it possible and whose guidance and encouragement made the efforts successful. I wish to record my deep sense of gratitude and profound thanks to my Research Supervisor **Dr. Krishnamoorthy K**, Professor and Head (PG), Department of Computer Science and Engineering, Shanmuganathan Engineering College, Pudukkottai, for his keen interest, inspiring guidance, constant encouragement with my work during all stages, to bring this thesis into fruition. I am extremely indebted to **Dr. R.S.D. Wahida Banu**, Professor, Department of Electronics and Communication Engineering, Government College of Engineering, Salem, and **Dr. M. Madheswaran**, Professor, Department of Electronics and Communication Engineering, Mahendra Engineering College, Thiruchengodu, for their valuable suggestions and support during the course of my research work.

I also thank my co-workers and co-researchers for their valuable support throughout the course of my research work. I take this opportunity to express my deepest and unconditional love towards my family members – my mother – S. Senbagavalli, my husband - P. Mahavishnu and my children – M. Haresh Karthik and M. K. Monishaa, for their untiring support & sacrifice which made my research work a successful one. I also have an immense pleasure to contribute my service to my mother tongue, Tamil. Above all I thank the almighty, for giving me the strength and opportunity to pursue my research work. It is his blessings that have guided and encouraged me all through my difficulties in successfully completing this work.
