

LIST OF PUBLICATIONS

International Journals

1. **Kamalraj, R** & Rajivkannan, A, 2016, 'Test Case Classification Using Tuned Fuzzy Logic with Test Case Reusability For Test Suite Reduction', Asian Journal of Information Technology, vol. 15, no.9, pp. 1437-1442, ISSN :1682-3915 (Updated List 2016).
2. **Kamalraj, R** & Rajivkannan, A, 2012, 'Reuse Frequency Effect Classification Model (RFEC) for Classifying Reusable Software Components', International Journal of Engineering, Research & Industry Applications, .Vol. 5, no. 4, pp. 299-309.
3. **Kamalraj, R** & Rajivkannan, A, 2012, 'Controlling the Design of Reusable Components using Fuzzy Logic Approach', IMS Manthan The Journal of Management and Computer Science, vol. 6, no.2.
4. **Kamalraj, R** & Rajivkannan, A, 2012, 'Classification and Selection of Reusable Software Components using Mutation Technique', International Journal of Computer Science and Technology, .Vol. 3, no.3, pp. 487-489.
5. **Kamalraj, R** & Rajivkannan, A, 2011, 'Stability based Component Clustering for Designing Software Reuse Repository', International Journal of Computer ApplicationsAsian Journal of Information Technology, vol. 27, no.3, pp. 33-36.
6. **Kamalraj, R** & Rajivkannan, A, 2010, 'Populating New Software Reusable Packages using Genetic Algorithm', International Journal of Advances in Science and Technology, vol. 1, no.2. pp. 18-23.
