

ACKNOWLEDGEMENT

I bow to my **Gurukula Teacher** for His blessings which enabled me to complete this research work successfully.

I am extremely happy to express my grateful thanks to my supervisor, **Dr. S. Sankar**, Professor, Department of Physics, Anna University, Chennai, for his dynamic guidance to complete this work.

I wish to thank **Prof. K. Chinnakali**, Head, Department of Physics, Anna University, Chennai, for his valuable support during my research period. I am also grateful to **Dr. P. Manoravi**, Scientist-G, IGCAR, Kalpakkam, for his encouragement. I would like to thank the **Director** and other Faculty Members, Ramanujan Computing Centre, Teaching and Non-teaching Staff Members of the Department of Physics, Anna University, Chennai, for their help in carrying out this research work.

I am very much thankful to **Dr. V.S. Sathyakumari** and her family members for giving me support to complete my thesis work. I am also grateful to my parents, **Smt. Kamakshi**, **Sri. Kothandaraman**, my husband **R. Lakshminarayanan**, my son **L. Raghavendran** and other family members for their full support and encouragement to pursue my research studies. I am also extremely happy in thanking all the research scholars of the Department of Physics, Anna University, for their constant help and support throughout my doctoral studies.

MAHALAKSHMI K
